Nursery Stock

AND HERE IS HOW YOU DO IT

1. BY MAIL. Pick out the items you wish and jot them down on the handy order blank in the back of this catalog. Enclose your remittance (check or money order if possible) and the mail man will bring your order direct to your door.

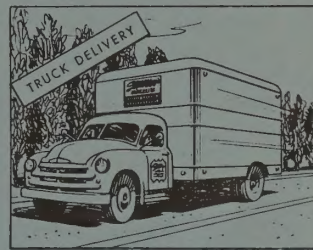

3. BY PERSONAL VISIT. We can give you the best service by having you visit our nursery at E. 2929 27th Ave., where you may pick out your stock personally and either take it with you or make arrangements to have it delivered.

2. BY PHONE. Call our nursery at KEystone 5-2939. We will be more than happy to help you in your selections and deliver them direct to your door.

4. BY TRUCK. No charge for delivery in Spokane or Spokane Valley on orders of \$5.00 or more. Larger orders delivered free of charge in the Inland Empire.

REGARDLESS OF WHICH WAY YOU ORDER FROM US, YOU CAN REST ASSURED THAT YOU WILL RECEIVE THE FINEST NURSERY STOCK THAT IS GROWN AND PRICES THAT ARE CONSISTENT WITH GOOD QUALITY. IF YOU ARE A NEW CUSTOMER, A TRIAL ORDER WILL CONVINCE YOU. OUR INTEGRITY AND FAIR DEALINGS ARE KNOWN THROUGHOUT THE NORTHWEST.

Why Not Open A Charge Account At Stane's?

30 DAY CHARGE AND BUDGET ACCOUNTS AVAILABLE

Pay as Little as 10% Down

Balance in Low Payments

NO INTEREST CHARGE

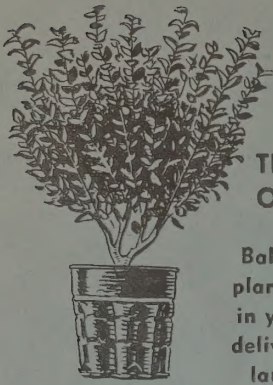

30 DAY ACCOUNTS

If you possess any major credit card, we shall be glad to open an account for you. Accounts are due on the 25th of the month following the date of purchase. Invoices are sent to you regularly on the first of every month.

BUDGET ACCOUNTS

Any of the items listed in this catalog can be sent to you or our landscape work can be done for you on a budget account. Pay as little as 10% down with payments to suit your budget. If you wish this service, send us the names of two or three firms that you regularly have accounts with and we will open an account for you.

Stane's Now Offers You A completely new nursery center

THOUSANDS OF PLANTS

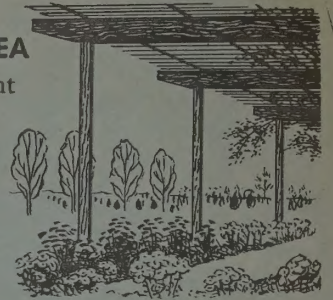

Balled and canned plants ready to take in your car or to be delivered. Spokane's largest selection.

VISIT OUR NEW GARDEN STORE AND NURSERY

While we can give you good service by mail, we can give you better service if you will visit our new garden store and nursery. You can either see the items you want when they are in bloom or we have a complete collection of colored pictures of almost any item listed in this catalog. Our clerks have been trained to help you with your garden problems.

SPACIOUS OUTSIDE SALES AREA

Shaded for plant protection, Cement walkways for customer convenience.

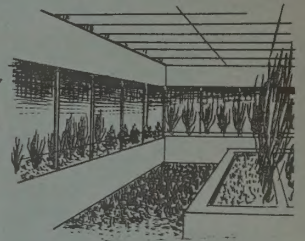

NEW MODERN GARDEN CENTER

as a part of our nursery, complete with all the interesting and necessary needs for the lawn and garden.

LARGER AND BETTER DISPLAY AREAS IN NURSERY STORAGE

Dormant plants are kept at their best in these new, convenient storage areas.

HOW WE DO BUSINESS

PLEASE READ BEFORE
ORDERING

GUARANTEE — We guarantee our stock to be true to name and to grow if proper care is given. If any stock purchased fails to start growing after being properly planted and cared for, we will replace free of charge. Any claims for adjustments must be made with us on or before July 1st on purchases made the preceding fall or spring. When making claims, it is necessary that you either send us the order number if you received it by mail or present your sales slip if purchased direct at our nursery. In no event will we be liable for more than the original purchase price. All replacements made during next planting season.

SHIPMENT AND PRICES — All prices and items listed in this catalog are for the year of 1962. Prices listed are subject to change at anytime without prior notice. All prices include postage, freight or delivery charges to your door.

DELIVERY — No charge for local delivery in City of Spokane or Spokane Valley on orders for \$5.00 or more. We are always glad to take your order by phone or mail and make delivery on day you specify.

REFERENCES — This is our 49th year in the nursery business. We refer you to the Spokane Better Business Bureau or The Old National Bank, Spokane, Washington.

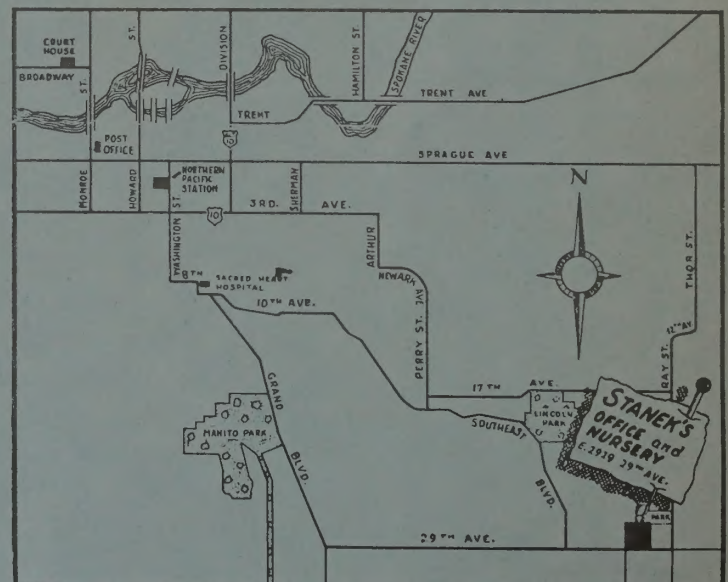

OUR LOCATION AND HOW TO REACH US

BY CAR — Follow directions on map shown.

BY BUS — Take Lincoln Park bus. Ask bus driver to let you off at 29th and Regal.

BY MAIL — Mailing address — Stane's Nursery, E. 2929 - 27th Ave., Spokane 33, Wn.

BY PHONE — Dial KE 5-2939.

Here begins the listings which make this a true Rose Reference Book. Each class is arranged by color and alphabetized for easy reference with rating, flower size, petals, and bush height in the headline, plus a short description. After the name is the 1961 rating of the American Rose Society. *10 is perfect; *9.9 to *9 is outstanding; *8.9 to *8, excellent; *7.9 to *7, good; *6.9 to *6, fair; below *6, is questionable; and under *5, poor. A few varieties are not rated but are very popular. Those "too new to be rated" have been carefully selected, such as recent AARS winners identified by  or new select and tested varieties

Nowhere in the world are there finer all-around roses than those which have won the All-America title. The winners are selected on the basis of excellence in 13 different rose qualities by the country's finest rose experts. Look for the All-America Rose Selections symbol throughout this guidebook to better roses. It identifies a winner!

Hybrid TEA Roses

This is the kind of rose many people refer to as a "monthly" rose because it has flowers every month in season. It's also the kind you see in florists' shops . . . large, shapely buds and blooms on long stems. It is the standby—the favorite kind—in the garden.

Everyone's Favorites

Will Bloom this Summer from June to Frost

HYBRID TEA ROSES — Red

NEW!! NEW!!

AMERICANA (Too new to be rated) Flower: Large, double, 35-40 petals. Ht. 4-5'. PL. PAT. 2085. Here it is . . . the most glorious red rose ever created . . . a rose so beautiful in color, form and fragrance that it was selected by a rose so beautiful in color, form and fragrance that it was selected by 10,000 home-test gardeners as The Rose of the Year for 1951. It's red . . . a flaming red as brilliant and stirring as the stripes in Old Glory! It's big . . . with blooms over 6" across . . . huge blooms that last for days even in the hottest weather. And it is fragrant . . . just the scent that you are always looking for in a "perfect" rose. Our quantities are still limited again this year, so please order early to avoid disappointment. We will ship at the proper time in your locality. Illustrated on the back cover. \$3.50 each.

AVON (Too new to be rated) Flower: Large, double, 40-50 petals. Ht. 3-4'. PPRR. At last—a truly fragrant, fragrant rose. We consider this the most fragrant rose since Crimson Glory first appeared on the market. Here is brilliant red rose that is so heavily perfumed that its scent lasts the life of the flower. Little wonder that it was selected to commemorate the 75th Anniversary of Avon — world's largest cosmetic manufacturer. The blooms which are perfectly formed open into huge 6-7" flowers of a brilliant red which has no trace of blue from the bud through the finished flower. Plant two or three of this variety this year and when you look at them in bloom, they will look right back and say "Avon Calling". \$3.50 each.

BLACK VELVET (Too new to be rated) Flower: Large, double, 40-50 petals. Ht. 3-4'. PPRR. Free blooming rose of deep wine-red to almost black, which does not fade or blue. Plenty of luxuriant dark foliage on a well-balanced plant. \$3.00 each.

CHARLOTTE ARMSTRONG (*9.0) Flower: Large double, 35-40 petals. Ht. 3-4'. The color of this rose is a border case whether it is light red or dark pink. The long pointed buds are blood red and the beautifully formed flower is a bright cerise fading softly as it ages. One of the outstanding roses of our times and the Mother of your better newer roses. \$1.75 each.

CHRISTOPHER STONE (*8.1) Flower: Large double, 30 petals. Ht. 3-4'. A tried and true fiery large-petaled red of moderate growth. Ovoid buds open to large fragrant blooms and much texture to the petals. Bright green foliage on upright bush. \$1.75 each.

CHRYSLER IMPERIAL (*8.8) Flower: Large double, 40-50 petals. Ht. 3-3½'. PL. Pat. 1167. The bud is long and pointed and the flower large, high-centered, fragrant, crimson-red, shaded darker. The foliage is dark, semi-glossy and the bush is vigorous and compact. One of the very few AARS Winners in the Hybrid Tea class. \$2.50 each.

CRIMSON GLORY (*9.1) Flower: Large double, 30 petals. Ht. 2-3'. Crimson Glory is always on any "Ten Best" list. The bud is pointed and has a very large flower, cupped and very fragrant. Color is deep velvety crimson with purple shadings. This is probably the best red non-patent rose grown today and a must in any rose garden. \$1.75 each.

ENA HARKNESS (*7.0) Flower: Large double, 40-50 petals. Ht. 3-4'. Large high centered bloom of crimson scarlet. Some fragrance. Plant is vigorous and upright. As we have stated in previous catalogs, we still think this is the finest red rose grown in the Inland Empire Area regardless of price. \$1.75 each.

KARL HERBST. Flower: Large double, 60 petals. Ht. 3-4'. Often called the "Red Peace", Karl Herbst has the same shape bloom as the popular Peace, only red in color. Some fragrance and seems to do its best in hot weather. A real show winner. While not rated by the American Rose Society, we would rate it about (*8.3). \$2.00 each.

NIGGER BOY. Flower: Medium double, 56 petals. Ht. 2'. The bud is long pointed and the flower is high centered, globular, very fragrant with a very dark velvety blackish maroon color. The foliage is glossy and thick on a low compact bush. While not rated by the American Rose Society, we will rate it about (*8.9). \$1.75 each.

NEW!!! NEW!!!

CHRISTIAN DIOR (Too new to be rated) Flower: Large, 50-60 petals. Ht. 5'. PL. Pat. 1943. Named for the Prince of Fashion, this magnificent new 1962 All-America Winner combines the brilliance of crimson red and iridescent scarlet with exquisite form. Fragrant blooms are big, high-centered and long lasting, do not fade or blue, and grow on a long stem. Together with a very glossy foliage on a vigorous plant, Christian Dior can be a winner at any rose show. Illustrated on inside front cover. \$3.50 each.

NEW!! NEW!!

ROSE BOWL (Too new to be rated) Flower: Large, double, 50-60 petals. Ht. 4-5'. PRR. Glowing red, fully double blooms of extraordinary size and substance have appeal. Buds are urn shaped with a high center, opening to 5-6" flowers. Strong, erect stems hold them upright even in bad weather. Fragrant, long lasting Rose Bowl is perfection in both the garden and arrangements. Excellent foliage. \$3.00 each.

??? WANT TO SAVE 10% ON YOUR ROSE ORDER ???

In making up our catalog every year, it is impossible for us to list special offers that would include varieties to please everybody. Why not make up your own selection of varieties and save yourself 10%? Here is what you do—select any five (5) or more varieties of roses listed in this catalog, add up the total cost of your list of these varieties and then deduct the sum of 10% from your total. The varieties selected can be hybrid teas, grandifloras, climbers or floribundas. Here is your chance to save 10% on your rose order this year and still have just the combination of varieties that you want.

ALL-TIME FAVORITE HYBRID TEAS

ORDER EARLY!!

Sensational in Color, Size and Quality-

HYBRID TEA ROSES — LAVENDER, ORANGE AND TWO-TONED FAVORITES

ANGEL WINGS (*7.5) Flower: Large double, 20-25 petals. Ht. 4'. PL. Pat. 1865. Ovoid buds opening to large flowers of yellow shading to white with a spinel-pink edge. Somewhat similar to Kordes Perfecta but not as many petals. \$3.00 each.

AZTEC (*7.7) Flower: Large, double, 30-40 petals. Ht. 2½'. PL. Pat. 1648. Here is a scarlet orange flower so brilliant that it fairly sizzles! — deeper, richer and more scarlet than any you have ever seen. The fragrant blooms come on plants that are more spreading than high and the plants should be planted in the foreground. \$2.75 each.

BRONZE MASTERPIECE (Too new to be rated) Flower: Large, double, 40-50 petals. Ht. 3-4'. PL. Pat. 2000. Now you can grace your garden with this magnificent coppery, old gold colored rose. Exquisitely pointed buds that open slowly into lavish bronze-apricot blooms deeply veined with gold . . . huge fragrant coppery blossoms up to 6" across. Will not fade in the sun so that each day they even become richer and more breathtaking. \$3.00 each.

NEW!!

NEW!!

CHAMPAGNE (Too new to be rated) Flower: Large, 35-40 petals. Ht. 4-5'. PPAF. A sparkling bloom like pale Moselle Champagne, glinting with overtones of pink, yellow, apricot and buff. The color varies with the season as does fine vintage wine. Though fully double, the buds are long and open gracefully into large blooms of exhibition quality. The attractive, vigorous plant is upright with magnum-colored foliage of a delightful blue-green. A unique feature is the long cutting stems almost devoid of thorns, making Champagne easy to cut, arrange and exhibit. With some 20 new roses being listed in this catalog for the first time this year, it looks like a vintage year. \$3.00 each.

CORONADO (Too new to be rated) Flower: Large double, 40-50 petals. Ht. 5-6'. PPAF. Red and gold buds in the captured colors of a desert sunset bloom vividly against the shining foliage of this rose. Winner of many awards and bound to be with us for years to come. \$3.50 each.

DUET (Too new to be rated) Flower: Medium, 25 petals. Ht. 3'. PL. Pat. 1903. Medium sized blooms blend a soft salmon pink inside with rosy crimson beneath. Flowers hold petals well and retain rich colors through wide variation in weather. Plant is vigorous and free-branching, producing luxuriant foliage. \$2.00 each.

FASCINATING (Too new to be rated) Flower: Large, double, 30-40 petals. Ht. 3-4'. PL. Pat. 1945. Long pointed buds open to a shapely, high-centered flower that is a blend of crimson and empire yellow. The colors are more intense in the cool days or early summer and fall. Moderate fragrance. \$3.00 each.

FORTY-NINER (6.9) Flower: Medium, 25-35 petals. Ht. 3'. PL. Pat. 792. A long standing favorite of everyone—especially the male sex. A clear vivid red with pure straw yellow on the reverse of the petals. A very vigorous grower. \$2.50 each.

FRED EDMUNDS (*6.9) Flower: Double, 25-30 petals. Ht. 2-3'. PL. Pat. 731. Still our largest selling orange shaded rose. This is the rose that we suggest when you ask for an orange colored bloom. We especially like the very glossy foliage. \$2.00 each.

ORDER BLANK SHEET

BETWEEN PAGES 34 AND 35

HAWAII (*7.7) Flower: Large, double, 30-40 petals. Ht. 3-4'. PL. Pat. 1833. The "1960 Rose of the Year". A warm glowing orange-coral — a color as exotic, as sultry, as alluring, as romantic Hawaii itself! Each bloom is well over 6" across with an amazing fragrance of crushed raspberries. The last two years, we have been sold out before the season was half over so please order early. \$3.50 each.

HIGH TIME (*7.4) Flower: Medium, 25-30 petals. Ht. 3'. PL. Pat. 1809. A fragrant bloom of exquisite form in the long, urn-shaped buds and high-centered blooms of flame to claret rose with gold beneath. The foliage is luxuriant, flowers profusely. Reminds us of the old Saturnia rose. \$3.00 each.

MME. HENRI GUILLOT (*8.4) Flower: Large, double, 25-30 petals. Ht. 2-3'. For simplicity, we call it "Madame Henry". Blooms of watermelon to raspberry pink. Very leathery and glossy foliage. One of the finest roses listed in this catalog. \$1.75 each.

MOJAVE (*7.4) Flower: Large, 25-30 petals. Ht. 3-4'. PL. Pat. 1176. Taking its name from the famous California desert, Mojave's rich coloring is typical of a desert — sunset-glowing orange shot with flame-like tones of scarlet and vermillion. Pleasantly fragrant. \$2.75 each.

ORCHID MASTERPIECE (Too new to be rated) Flower: Large, double, 30-40 petals. Ht. 3-4'. PL. Pat. 2039. Large blooms of 5 to 6" across of lavender-orchid hue that are drenched with the sweet fragrance of lavender roses. The bud is long and slender and is a lively deep orchid. As the flower opens, orchid and lavender shades predominate. Frequently when the flower first opens there is a novel variation of lavender and orchid on the outer petals which, in the full open flower change to a complete orchid shaded lavender. One of the better roses in this color class. \$3.00 each.

NEW!!

NEW!!

PEACEPORT (Too new to be rated) Flower: Large, double, 40-50 petals. Ht. 3-4'. PPAF. This is the first true sport of Peace—no hybrid or seedling but a change—a mutation. We will have to describe it as a "salmon" Peace. The large bi-color blooms are predominantly salmon pink, rather than yellowish as in Peace. A vigorous, free blooming plant with glossy foliage. \$3.00 each. Illustrated on back cover.

PRESIDENT HOOVER (*7.7) Flower: Large, 25 petals. Ht. 4-5'. Another consistent show winner that has been with us for years. Large flower of orange, rose and gold with the reverse side in the same lighter shades. Fragrant. \$1.75 each.

STERLING SILVER (*6.9) Flower: Medium, double, 30-40 petals. Ht. 3-4'. PL. Pat. 1433. While we do not particularly care for lavender roses, it is surprising to us how we sell out every year on varieties in this shade. It seems that our customers like a novelty rose in their garden. Sterling Silver is perhaps the best known of all the roses in the lavender shades. Our best description of the color is a cool feeling of rich sterling silver. \$3.00 each.

SUSPENSE (Too new to be rated) Flower: Medium, double, 30-40 petals. Ht. 3-4'. PL. Pat. 1944. Gorgeous new red and yellow bicolor with magnificent blooms on vigorous stems and bush. Somewhat similar to Forty-Niner only the colors are more intense. \$3.00 each.

TALISMAN (*6.5) Flower: Medium, 25 petals. Ht. 2½-3'. The bud is pointed and the flower is medium size opening flat. It is fragrant, golden yellow and copper. Talisman is no favorite of ours but is one of the best known and most widely planted of all roses. \$1.75 each.

TANYA (Too new to be rated) Flower: Large, 25-35 petals. Ht. 2½-3'. PL. Pat. 1712. Another lovely color in roses — a glowing, radiant, true deep Orange. Long, slender, lively red-orange buds open gradually and gracefully to an exciting garden and show rose. Large 5½" blooms with graceful petals and classic high center. Delightfully fragrant. Low spreading bush with highly disease resistant foliage. \$3.50 each.

**MORE FOR YOUR MONEY with ROSES THAN
With Any Other Plant — many more flowers, too!**

EVERBLOOMING HYBRID TEAS For Gorgeous Bouquets

HYBRID TEA ROSES — Pink

DAINTY BESS (*8.4) Flower: Medium, single, 5 petals. Ht. 3-4'. A medium size single rose of soft-rose-pink, very distinct, darker stamens. Very nice foliage and a vigorous plant. One of our most popular roses. \$1.75 each.

FIRST LOVE (*8.0) Flower: Medium, 20-30 petals. Ht. 4'. PL. Pat. 921. This is sure to be your "First Love" in your garden if you enjoy sensational buds- and who doesn't. Urn-shaped long and slender dawn pink buds that simply steal your heart. One of the favorites with all ladies. \$2.25 each.

HELEN TRAUBEL (*8.7) Flower: Large, 20-25 petals. Ht. 4-5'. PL. Pat. 1028. One of the great AARS winners. We have noted a great variance of color in this rose in different parts of the country. Here in the Inland Empire, the color is a sparkling pink with just a touch of apricot at the base. Very strong grower with good continuity of blooms which are fragrant. \$2.75 each.

KATHERINE T. MARSHALL (*7.2) Flower: Medium, double, 30-40 petals. Ht. 3-4'. PL. Pat. 607. One of the finer roses of the past that we are listing by popular demand. Magnificent buds and flowers of warm coral and clear pink of heavy texture. Excellent luxurious foliage on strong upright bushes. \$2.00 each.

KORDES PERFECTA (*7.5) Flower: Large, double, 40-50 petals. Ht. 3'. PL. Pat. 1604. It's white . . . it's pink . . . it's yellow . . . it's exciting. Basically cream-white, this magnificent rose is lined with pink as if the petals were dipped in carmine and then slowly singed over a slow fire. One of the most talked about roses in years and we say definitely to a man's liking. \$3.00 each.

NOBILITY (Too new to be rated) Flower: Large, double. Ht. 3-4'. PPAF. Exquisite buds of light pink, deepening toward the center and opening to shell pink, finishing rich pastel pink. The huge blooms are perfectly formed. Highly recommended by us. \$3.00 each.

NEW!! NEW!!

Memoriam On the cover

MEMORIAM (Too new to be rated) Flower: Large double, 50-60 petals. Ht. 3-4'. PPAF. Acclaimed as the most perfectly formed rose of a decade, we say that this will be our largest selling rose for this season. Pink-and-cream buds, long-pointed, large and perfectly formed, appear on strong, straight stems and unfold slowly into delightfully luminous flowers with 50-60 petals of remarkable substance. Lustrous as pink pearls, the large, lovely blooms vary from white in cool weather to dawn-pink in hot summer, always glowing with luminescence as though lighted from within. Heavy, deep green leaves of medium size cover the sturdy upright bush. Memorable indeed for its classic perfection, this exquisite new pink rose will be a continuing delight in the garden, long-lasting for arrangements and the exhibition bench. Illustrated on the front cover. \$3.50 each.

LOOKING FOR A SYMPATHY GIFT?

In times of bereavements of your friends or relatives, may we suggest a gift of Memoriam roses for permanent planting in their yard. This will be a gift that will be constant reminder of your sympathies, and much more satisfactory than cut flowers which soon fade away. Send us the name for whom the gift is intended and we will take care of the rest.

PINK FAVORITE (*8.2) Flower: Large, 25-35 petals. Ht. 3-4'. PL. Pat. 1523. This is our "pink favorite". Too bad that this rose has not had the publicity that it deserves. We think that it is one of the all-time great pink favorites whether in bloom or out of bloom because the foliage is just as attractive as the bloom. Urn-shaped bud and large flower, cupped and slightly fragrant. A glossy green foliage of a color you will not find on any other bush. An award winner at numerous rose shows. \$2.50 each.

PICTURE (*8.0) Flower: Medium, 30-35 petals. Ht. 3'. Double, high-centered blooms that are slightly fragrant. Color of clear rose pink. One of the all time favorites and "Pretty as a Picture". \$1.75 each.

PINK DUCHESS (Too new to be rated) Flower: Large, double, 40-50 petals. Ht. 3-4'. PL. Pat. 1834. Pink Duchess is the newest and richest colored pink of the Peace family. The flowers are perfectly formed, fragrant and huge — up to a full 6" across. Pure deep pink with just a touch of cream or gold at the base. \$3.00 each.

PINK PEACE (*7.6) Flower: Large, double, 60-70 petals. Ht. 4'. PL. Pat. 1759. The world renowned rose. Peace, has been responsible for many good offspring and Pink Peace has been one of the worthwhile ones. The color is a dusty kind of pink with a remarkable hairline edging delineating each of the petals. Blooms have a strong luscious fragrance. \$3.00 each.

1962

"ROSE OF THE YEAR"

SOUTH SEAS

SOUTH SEAS (Too new to be rated) Flower: Large, double. 40-50 petals. Ht. 3-4'. PRR. Huge luminescent, deep shell pink flowers that can open to 7 1/2". This new strong, disease resistant bush grows 3-4' high with heavily branched canes. Foliage is dark green and abundant. Clean fragrance. \$3.50 each.

THE DOCTOR (*7.60) Flower: Large, double, 25 petals. Ht. 2-3'. Enormously large pure pink flowers, one of rosedom's largest blooms, that will make anybody stop to look at it. Very, very fragrant and satiny. \$1.75 each.

TIFFANY (*8.8) Flower: Large, double, 25-30 petals. Ht. 3-4'. PL. Pat. 1304. Beautiful phlox-pink blooms of outstanding quality. The long pointed buds are deep pink with golden yellow shading at the base. The flowers open to perfectly formed, double, high-centered blooms of a pleasing shade of pink. Heavy textured and outstanding fragrance. \$2.75 each.

← POTTED ROSES

IT'S NEVER TOO LATE TO PLANT ROSES

Potted roses of most of the varieties listed in this catalog are now available for safe transplanting throughout the summer months. Growing and blooming in large containers, you can see them in bloom and pick out the colors you want. Ideal for planing in that vacant spot to add color during the summer. These potted roses are available for pickup at the nursery only and are not mailable. For your convenience, we are open every day of the week from March 1st to November 1st.

(Please use order blank
between pages 34 and 35)

NEW!!

NEW!!

EBB TIDE (Too new to be rated) Flower: Large, 40 petals. Ht. 4'. PPAF. A strong upright and rugged plant, bearing its attractive flowers singly on strong erect stems. The petals of the long peach-colored bud tend to flair out at the tip, giving the bud a very graceful profile. The petals of the large light yellow, pink-flushed flower also tend to ruffle and roll outward, producing a form which is charming and distinctive. The bloom has a pervasive and pleasing fragrance. Illustrated on back cover. \$3.00 each.

ECLIPSE (*8.1) Flower: Medium, double, 25-30 petals. Ht. 3'. A remarkably long pointed bud of deep gold with long narrow branching sepals. The large open flowers have some fragrance and are golden yellow in color. Eclipse has perhaps the nicest buds of any rose that we know of—greenhouse quality. \$1.75 each.

GOLDEN MASTERPIECE (*6.9) Flower: Large, double, 50-60 petals. Ht. 5-6'. PL. Pat. 1284. Enormous, fragrant, golden yellow flowers with a high center. We would say that this is the largest yellow rose listed in these pages—up to 7" across. Golden Masterpiece has been our largest pure yellow selling rose. \$3.00 each.

FRAUDRUSCHKI Flower: Very large double, 35 petals. Ht. 4-5'. While too old a rose to be rated, we would rate it about (*8.5). The bud is blunt pointed and tinged carmine-pink. The flower is very large and scentless; snow-white in color and the centers are sometimes bluish-pink. Tall grower with light colored foliage. \$1.75 each.

VIRGO — Flower: Medium double, 30 petals. Ht. 2-3'. Buds of bluish pink open to large fragrant flowers of pure white. Regardless of price or variety, this is the best white rose listed in this or any other catalog. \$1.75 each.

NEW!!

NEW!!

KING'S RANSOM (Too new to be rated) Flower: Large, double, 50-60 petals. Ht. 5-6'. PPAF. New 1962 All-America Winner that is illustrated on the inside cover. This new rose has long slender buds and huge 6" flowers of breath-taking yellow. The slightly fragrant blooms come on tall long stems and you will literally have dozens of them throughout the season. We like the way the rich chrome yellow blooms hold up in either rain or sun. Don't forget to plant in the back-ground as King's Ransom is a tall growing bush. \$3.50 each. Illustrated on page 2

LOWELL THOMAS (*7.7) Flower: Large, double, 35-40 petals. Ht. 3-3½'. Long one of our best garden yellows. Large clear yellow buds, of fine form, open to excellent keeping, glowing-yellow flowers of good size. Moderate fragrance. \$1.75 each.

**10% DISCOUNT IF
YOU BUY 5 OR MORE
ROSES. SEE PAGE 3**

HYBRID TEA ROSES – White

WHITE WINGS (*7.5) Flower: Single, 5-7 petals. Ht. 3-4'. PL. Pat. 850. Somebody once said that simplicity is perfection in art. In White Wings, a single white, we have that simplicity. Most people call this rose the "White Dainty Bess". A most unusual rose for rose arrangements. \$2.50 each.

WHITE KNIGHT (*7.2) Flower: Large, 30-35 petals. Ht. 3'. PL. Pat. 1359. A long pointed bud and large flower with slight fragrance. It is high centered, clear white and long stem. The foliage is leathery, light green on an upright free blooming plant. \$2.75 each.

SUTTER'S GOLD (*8.1) Flower: Large, 30-35 petals. Ht. 3-4'. PL. Pat. 885. Long pointed yellows which are richly shaded with orange and red. The open flower is golden yellow with a rich fragrance. The robust upright bush makes this one of our favorites. \$2.25 each.

PERSONALITY (Too new to be rated) Flower: Large, double, 30-40 petals. Ht. 3-4'. PPAF. A Peace seedling that has a much nicer shaped bud than its parent. Personality is golden yellow overlain with generous splashes of red, especially along the petal edges. Excellent foliage. \$3.00 each.

PEACE (*9.6) Flower: Very large, double, 40-50 petals. Ht. 4-5'. Still classed as one of the best roses by this writer, not only in bloom but all around performance of the plant—glossy foliage, strong grower, quality and quantity of bloom. To those that say "Fooley", I am sure they have never watched the transition of a miniature sunset from yellow petals to pink edged yellow petals, to pink petals, in their own garden. They have only seen displayed roses which have lost the drops of dew and clean colors which were theirs in the garden. Ah me—that I could age as gracefully. Now at new low price. \$1.75 each.

NEW!!

NEW!!

WHITE PRINCE (Too new to be rated) Flower: Large, 50-60 petals. Ht. 5'. White Prince is a rose of noble bearing, both in the tall upright stance of the plant, and in the grace and purity of bloom. The foliage is heavy textured and glossy. Buds are long and slender while the open bloom is lightly fragrant, very large and very white, and retains a firm high-centered form. With the blooms coming mostly on long single stems, White Prince could be a show winner. \$2.75 each.

**You can grow prize winning roses by using the time-tested products listed below . . .
Orthorix and Isotox for your spraying program and Stanek's Sunny Spokane Rose Food. Include them with your order and grow your Roses right this year.**

Spraying made easy with Orthorix and Isotox. Mix these two products in handy sprayette shown below and spray roses in just minutes. A complete spray effective for all of the garden.

ORTHO SPRAY SET

Two famous Ortho products combined in this handy spray set insure your gardening success. **Isotox** garden spray for effective control of insects and **Orthorix** for control of most plant fungus diseases.

Price: 8 oz. set \$2.59

Handy sprayer that attaches to your hose for simple, easy spraying. Use Orthorix and Isofox shown above to take care of every spraying need.

2 GAL. SPRAY-ETTE.

Hose-attached sprayer for the small garden. Light-weight and easy to use, it makes a fine mist spray properly diluted. A very practical sprayer. \$3.45 each

STANEK'S "SUNNY SPOKANE" ROSE FOOD

**FAST ACTING! LASTS LONGER!
EASY TO USE!**

Anyone can grow perfect roses with our new formula "SUNNY SPOKANE" rose food. Good happy, healthy roses require a liberal supply of balanced rose fertilizer. Put your roses on the road to health this season with a rose food that has been designed especially for us by rose and soil experts. "Sunny Spokane" food is a quick stimulant—a small quantity will provide wonders with bigger, healthier blooms and plants. ECO-NOMICAL TOO! Only two tablespoons per plant three times each growing season.

5 lbs. Feeds 7 plants for one season. \$1.25.

25 lbs. Feeds 35 plants for one season. \$5.75

Sparkling Grandiflora Roses Easiest to Grow — More Bloom, To

Covered with Flowers From June to Frost

BUCCANEER (*7.3) Flower: Large semi-double, 25-35 petals. Ht. 4-5'. PL. Pat. 1119. The name suggests a figure rough, rugged and bold — and, oh yes, gold. This rose is all of these things. The buds are long and tapering and bright clear yellow. The blooms are cupped and buttercup yellow. Tall vigorous grower and excellent foliage. \$2.50 each.

CARROUSEL (*9.0) Flower: Medium, double, 25-35 petals. Ht. 3-4'. PL. Pat. 1066. Too bad that this rose has not received the publicity it deserves, because we could take this whole page to tell you of all its merits. In our book, it really rates as one of the all-time greats. The non-fading blooms and excellent foliage makes it ideally suited for either individual planting or for hedges. The blooms are large and drop very cleanly making room for the newly open crimson buds. The color is called "Indian Lake" red. Moderate fragrance. Carrousel was the first of the new Grandiflora class of roses which we like to call the "Flora-Tea" class. \$2.00 each.

NEW!!! NEW!!!

JANTZEN GIRL (Too new to be rated) Flower: Medium, double, 36 petals. Ht. 4-5'. PPAF. Tall, graceful and spectacular in performance, this bright new grandiflora is as red as the swimsuit associated with its famous name. The full buds open gracefully into smoothly rounded blooms with crisp clean petals elegantly waved in a pleasing fashion. Fittingly dressed in bright red all summer, Jantzen Girl is tall and lovely — a joy to behold. Illustrated on back cover. \$3.50 each.

JUNE BRIDE (*7.5) Flower: Large double, 30 petals. Ht. 4'. PL. Pat. 1770. We have seen clusters of blooms on this rose that would suggest a wedding bouquet. Sometimes this is a hint of cream in the tight buds but they open in beautiful form of pure white and ample substance. Train it for height, prune it for bushiness and cut it for continuous enjoyment. Any way you look at this rose, it is a joy. Grows about breast height and big around. \$2.50 each.

THE EASIEST ROSES IN THE WORLD TO GROW

This relatively new class combines the size and flower form of the H. T. and the abundance of flowers of the Floribunda. They are vigorous growers and are usually big, tall plants . . . 3 to 5 feet. Often flowers come in clusters on stems which can be cut.

NEW!! NEW!!

JOHN S. ARMSTRONG (Too new to be rated) Flower: Large, 35-40 petals. Ht. 4-5'. PPAF. For richness and glowing "aliveness," the deep, dark red color of this rose is unequalled among roses in this color class. And, unlike other deep red roses, John S. Armstrong holds its rich coloring from bud to fully opened flower without burning or bluing—even in adverse weather. Flowering is profuse, the blooms borne singly or in clusters with plenty of stem length for good cutting and never a weak neck for lasting quality. The blooms we have cut from this plant have lasted for ten days or more. Plan to plant three this year for a good splash of color and plenty of cutting. Illustrated on inside front cover. \$3.50 each.

QUEEN ELIZABETH (*9.0) Flower: Large, semi-double, 20-25 petals. Ht. 5-6'. PL. Pat. 1259. We make a standing offer that if you ask anybody that grows this rose and they say that it is not one of their outstanding roses in their garden, we will send you absolutely free one rose bush of your selection from these pages and no questions asked. The fragrant buds and blooms of pure pink come in profusion on long cutting stems. Exceptionally vigorous with deep green glossy foliage. Lasting qualities. One of our largest selling roses. \$2.50 each.

MONTEZUMA (*8.6) Flower: Large, double, 35-40 petals. Ht. 4-5'. PL. Pat. 1383. Beautifully formed slender buds of vivid coral-salmon, open to high-centered blooms of salmon-orange. Vigorous upright bushes with excellent foliage. Nice cutting. Very popular. \$2.75 each.

PINK PARFAIT (Too new to be rated) Flower: Medium, small, 30 petals. Ht. 4-5'. PL. Pat. 1904. A delightful little rose—"little" applies only to the flower. Pink Parfait has flowers of a delicate blending of pink pastel shades with bud stage ranging from dark pink to appleblossom pink. Heavy producer—this writer has counted up to 100 buds and blooms on one plant at one time. The plant is large and vigorous yet with a neat compact foliage forming a perfect background for the heavy flower clusters. Its pleasing colors will blend with most any interior and makes a unique addition to arrangements. \$3.00 each.

STARFIRE (*8.5) Flower: Medium, double, 25-35 petals. Ht. 4-5'. PL. Pat. 1742. Popularly acclaimed as "an easy to grow", Starfire's All-America qualities give it a currant-red color vibrance and plant vigor that's yours for practically no effort. The dazzling flowers come singly on the stem and in clusters. Some of our customers tell us that this is "the" rose. \$2.50 each.

LAVENDER, ORANGE AND TWO-TONED FAVORITES

 **CIRCUS** (*7.8) Flower: Large, double, 45-50 petals. Ht. 2½-3'. PL. Pat. 1382. Perfect buds of almost red that opens to very perky high-centered blooms in huge clusters. Well named because the open flower combines all the crazy colors through red, orange, pink and golden yellow. \$2.50 each.

 **FASHION** (*8.9) Flower: Large semi-double, 20-25 petals. Ht. 2½-3'. PL. Pat. 789. Oriental-red buds are just waiting to burst out into exquisitely formed blooms in a sparkling new coral-pink that is suffused with gold. Very fragrant. Our standing offer in previous catalogs still stands. Plant 3 Fashion this year and honestly tells us that you don't like it, we will be glad to refund your money. \$1.75 each.

NEW!! NEW!!

 **GOLDEN SLIPPERS** (Too new to be rated) Flower: Medium, 18-25 petals. Ht. 2-2½'. PPAF. In a brilliant color break-through, Golden Slippers danced to the top of the floribunda class on a cloud of breathless orange by winning an AARS award for 1962. The perfectly formed, pointed buds swell to show a hint of red and a promise of gold, then open into lovely blooms of an orange so brilliant and unusual it is hard to believe this is a rose. The coloring is fluorescent orange and gold, holding brightly while the flower opens, then softening only slightly to a pastel orange surrounding a ring of gold. The petals drop cleanly all at one time and there is always a cluster of orange-red buds to replace the spent blooms. The foliage is a bright green and the new growth is tipped with bronze. Illustrated on inside front cover. \$2.50 each.

RED FAVORITES

 **FIREKING** (*7.9) Flower: Medium double, 40-50 petals. Ht. 3'. PL. Pat. 1758. A very fragrant rose of bright scarlet. The 3" blooms are borne on lusty, upright plants in heavy clusters. Makes an excellent rose for cutting and long lasting in the house. \$2.50 each.

FRENSHAM (*8.6) Flower: Medium, semi-double, 15 petals. Ht. 3-4'. Velvety-red favorite for tall dense hedges or individual plants. Thorny and dense enough to keep out dogs. Always in bloom. \$1.75 each.

NEW!! NEW!!

LILI MARLENE (Too new to be rated) Flower: Double, 20 petals. Ht. 3'. PL. Pat. 1986. Dark cherry-red blooms of unchanging color. Buds open very slowly to 20-petaled, wavy-edged flowers. A very nice vigorous bush with semi-glossy leaves. \$2.50 each.

 **SARABANDE** (*7.9) Flower: Semi-single, 10-15 petals. Ht. 1½-2'. PL. Pat. 1761. As a low hedge or a mass planting in a bed, Sarabande has no equal for a vivid splash of color. The 3" semi-double blossoms of brilliant oriental-red open to disclose bright yellow stamens in striking contrast. If you visit our nursery during bloom time, ask any of the clerks to show you the bed of this variety that we have planted. It is always striking when in bloom. \$2.50 each.

 **JIMINY CRICKET** (*7.6) Flower: Medium, double, 20-30 petals. Ht. 3'. PL. Pat. 1346. A new color of sparkling apricot orange. The aging flowers are somewhat lighter but from the time the first bud opens until the end, it never knows a dull moment. Each of the endless processions of buds and flowers is a perfect hybrid tea rose in miniature. \$1.75 each.

LAVENDER PRINCESS (*7.0) Flower: Large, semi-double, 20-30 petals. Ht. 2 ft. PL. Pat. 1905. An exotic lavender floribunda with very good dark green foliage. This is the best lavender rose in the floribunda class that we know of. \$2.50 each.

LITTLE DARLING (*8.4) Flower: Small double, 20 petals. Ht. 3'. PL. Pat. 1581. Perfect 2½" flowers are streaked with brilliant red and yellow hues-with orange to pink shadings that melt into the canary yellow center. Foliage is reddish green and disease free. 50% of our customers tell us that this is their favorite of all roses, regardless of class or color. To see it in bloom is to definitely want it. \$2.25 each.

SPARTAN (*8.5) Flower: Large semi-double, 15-18 petals. Ht. 3'. PL. Pat. 1357. A rich, warm rose with scintillating color of sparkling orange red in bud which gently softens to a reddish coral at the finish. Flowers are produced both in clusters and singly on long stems. Foliage is rich dark green and very tough and disease resistant. \$2.00 each.

 **VOGUE** (*8.2) Flower: Double, medium, 20-30 petals. Ht. 3'. PL. Pat. 926. The unusual cherry-coral-red color and the beautiful shape of the flower, with its carnation scent, all make you want to linger with this rose. Vogue has long been a favorite with us. \$1.75 each.

PINK FAVORITES

BETTY PRIOR (*9.0) Flower: Medium single, 5 petals. Ht. 4-5'. Most persistent bloomer of all! Constantly as mass of pink blooms! One of the finest floribundas for either massing or hedge work. Outside of petals dark carmine, inside several shades lighter. Flowers resemble those of the pink dogwood. When you visit our nursery during the rose-blooming time, ask any clerk to show you the hedge that we have on display. \$1.65 each.

CECILE BRUNNER — Flower: Small, 20 petals. Ht. 2-2½'. Too old to be rated but we would say at least (*8.3). One of the old time favorites and commonly called the "sweetheart" rose. Small dainty buds of shell pink. Double and very fragrant. \$1.75 each.

PINOCCHIO (*7.8) Flower: Small, double, 30 petals. Ht. 2-3'. Clusters of exquisite pointed buds open gradually to long lasting miniature tea roses 1½" across. The winsome buds are rich, appealing salmon, flushed with gold at the base, gradually changing to soft clear pink. \$1.75 each.

ROSE ELFE (*8.2) Flower: Medium, double, 40 petals. Ht. 2½-3'. A double camellia-type bloom of silvery rose-pink. a wonderful rose for corsages, lasting quality and repeat bloom. \$1.75 each.

**10% DISCOUNT IF
YOU BUY 5 OR MORE
ROSES. SEE PAGE 3**

With this type of rose, you get many flowers usually in clusters. They are smaller than the H. T. but give more color especially when several are planted together. They make fine hedging and border plants, and when massed are strikingly colorful all season.

YELLOW FAVORITES

NEW!! NEW!!

GIRL SCOUT (Too new to be rated) Flower: Medium, double, 25-30 petals. Ht. 2-2½'. PL. Pat. 2090. The deep golden yellow blooms reach to 3½" across. The color remains constant from the perfect bud throughout the life of the bloom. Medium Rose scent. A very compact bush with glossy foliage that provides an ideal background for the golden buds and flowers. (Note: If you are a Girl Scout Mother or in any way connected with the Girl Scout movement and wish to make a planting of the Girl Scout Rose for your group, please call or write to us for the very special prices we can give you for this purpose.) \$2.75 each.

GOLDEN GARNETTE (Too new to be rated) Flower: Large, double, 20-30 petals. Ht. 2'. PL. Pat. 1898. Deep golden yellow buds open to 4-4½" flowers with petal edges slightly lighter in color. An excellent keeper when cut. Foliage is a rugged dark green. A welcome addition to the Garnette family. \$2.50 each.

GOLDEN LACE (Too new to be rated) Flower: 3-3½", 20 petals. Ht. 3-3½'. PPAF. When Golden Lace becomes well established, it forms a graceful network of supple branches and shining foliage, heavily sequined with brilliant yellow flowers. As the unique plant pattern develops, it brings to mind a rich lacework of green and gold. Small pointed buds open into well-formed high-centered flowers and their deep yellow color holds without fading to the time the petals drop. The fragrance is light and spicy. A remarkably pleasing effect can be achieved with this unique rose when used as a hedge, or against a fence or rock wall. \$2.50 each.

 **GOLD CUP** (*7.0) Flower: Medium, double, 20-30 petals. Ht. 2-3'. PL. Pat. 1683. Lovely golden yellow that holds its color throughout the life of the bloom. The pure yellow of the blossoms contrast beautifully with the very ornamental glossy foliage. Quite fragrant. \$2.00 each.

WHITE FAVORITES

 **IVORY FASHION** (*8.0) Flower: Large semi-double, 15-20 petals. Ht. 3'. PL. Pat. 1688. Long slender Ivory colored buds open to 4" blooms. The center of each flower is filled with a mass of golden stamens. Fragrant and long lasting. \$2.00 each.

 **WHITE BOUQUET** (*7.4) Flower: Medium, double, 20-30 petals. Ht. 2'. PL. Pat. 1415. This is one of the leading actresses in any rose garden and because of her height will give her best performance in the foreground. She has a gardenia-like shape of bloom with a sweet, spicy fragrance. Pure white blooms with yellow-stamens for a highlight. We like her accessories best because of the luxurious dark green foliage. \$2.00 each.

CLIMBING ROSES

You've probably noticed how much is being written these days, by leading garden authorities in the nation's press, about climbing roses. We can't recall when these regal, far-reaching beauties have enjoyed such prominence and popularity. We think it's because the climber is so versatile, so reliable. Only climbers can transform a bland scene into an exciting panorama of color—quickly and easily.

RED FAVORITES

EVERBLOOMING BLAZE

CL. NEW BLAZE (*8.1) Flower: Medium, semi-double. 25 petals. Ht. 6-15'. America's favorite red climber in everblooming improved strain. Recommended over the old Paul's Scarlet because of the everblooming qualities. \$1.75 each.

CL. DON JUAN (*8.1) Flower: Large, double, 30-35 petals. Ht. 6-8'. PL. Pat. 1864. Ovoid bud, large double flower, 5" across. Velvety dark red, very fragrant. Foliage is leathery and dark green. Recurrent bloomer. \$3.00 each.

CL. GLADIATOR (*8.1) Flower: Large, double, 35 petals. Ht. 6-8'. PL. Pat. 1524. Double fragrant buds and blooms of "American Beauty" red that repeats throughout the summer. Long cutting stems. \$2.75 each.

YELLOW FAVORITES

CL. GOLDEN SHOWERS (*7.1) Flower: Large, semi-double, 20-35 petals. Ht. 6-8'. PL. Pat. 1557. A favorite yellow climber. Beautiful daffodil-yellow buds open somewhat lighter. Glossy, disease resistant foliage, repeat bloomer. \$2.50 each.

NEW!! NEW!!

ROYAL GOLD (Too new to be rated) Flower: Large, double, 45 petals. Ht. 5-7'. PL. Pat. 1849. Ovoid buds open to golden yellow blooms with up to 45 shiny petals. Flowers are up to 4" across, in clusters of 3 to 7 and also singly. Very fruity fragrance. Very hardy and adaptable. Repeat bloomer. \$3.00 each.

LAVENDER AND

TWO-TONED FAVORITES

CL. CORAL DAWN (*7.7) Flower: Large double, 35-40 petals. Ht. 6-8'. PL. Pat. 1117. Large double fragrant coral-pink blooms. Glossy foliage. Everblooming. \$2.75 each.

NEW!!! NEW!!!

CL. CORAL SATIN (Too new to be rated) Flower: Large, double, 25-30 petals. Ht. 6-8'. PPAF. Brand new climber with much promise. Pink-coral blooms that repeat throughout the summer. \$3.00 each.

CL. CIRCUS (Too new to be rated) Flower: Large double, 45-55 petals. Ht. 6-8'. PPAF. Now Circus climbs. The floribunda rose, Circus, has been very popular and known as "The Greatest Show on Earth". Now we have this changing parade of gay colors — yellow, orange, buff and pink and often a finishing flourish of bright red — in the climbing form. Every garden should have a spot for this color magician. Repeat bloomer. \$3.50 each.

CL. ROYAL LAVENDER (Too new to be rated) Flower: Large, double, 25-35 petals. Ht. 6-8'. PPAF. This new strong everblooming climber is a true lavender with dove-gray and warm pink tones. Borne in clusters of 5 to 10, each bloom is perfection. Petals are smooth and firm, never quilling or curling. Color lasts until the petals fall. Buds are long and slender, opening to 3-4" flowers with a delicate fragrance. \$3.00 each.

CL. ROYAL SUNSET (Too new to be rated) Flower: Large, double, 25-35 petals. Ht. 10-15'. PPAF. Huge, fragrant blooms start out almost orange and shade into buff, shrimp-pink and finally cream. The semi-double to double flowers appear singly and in clusters. Repeat bloomer. Very attractive foliage. \$3.00 each.

PINK FAVORITES

CL. BLOSSOMTIME (*8.3) Flower: Large double, 35-40 petals. Ht. 8-12'. PL. Pat. 1240. Beautiful buds and blooms of light pink with rose-pink reverse cover the plant all season. A real performer and very fragrant. Ever blooming. We believe that this is the best true pink climber grown today. \$2.50 each.

CL. CECILE BRUNNER (*8.5) Flower: Small double, 50 petals. Ht. 4-6'. Small dainty "sweetheart" buds of light pink. Vigorous grower and repeat bloomer. \$2.00 each.

CL. NEW DAWN (*8.8) Flower: Medium double, 25-35 petals. Ht. 8-15'. Rosarians everywhere agree that this is the finest hardy everblooming climber for any climate. Blush pink in color. Sometimes known as the everblooming Dr. Van Fleet. \$1.75 each.

WHITE FAVORITES

WHITE DAWN (*7.1) Flower: Medium semi-double, 35 petals. Ht. 10-15'. Hardy everblooming white that has double gardenia-shaped blooms. Very glossy foliage. \$1.75 each.

MINIATURE ROSES

FOR POTS, PLANTER BOXES,
LOW HEDGES & BORDERS

We Offer the Following

Colors:

YELLOW BANTAM. Yellow
LOLLYPOP. Red
ELINOR. Pink
EASTER MORNING. White

\$1.50 each

These are like the big roses in all respects except in size. Flowers are about an inch across, and grow on plants from 8

inches to 12 inches high. They're hardy and do well outdoors. Under proper conditions, they can be grown indoors, too. Good for borders, edging, miniature gardens, flower boxes. Blooms make fine corsages, place decorations and personal adornment.

SPECIAL OFFER No. 9

1 of each of the 4 miniature roses listed to start your "Fairy" garden Only

\$5.25

VINES AND GROUND COVERS

NEW!! NEW!!

FOUR NEW VINES TO GIVE A NEW LIFT TO YOUR GARDEN

GOLDEN TRUMPET CREEPER. The new apricot-yellow trumpet vine. Clusters of bright apricot trumpet like flowers are freely produced throughout the summer. Hardy anywhere; insects don't bother it. Needs no fastening as it clings tenaciously to whatever support is given it. 2 yr. No. 1 vines, \$3.50 each.

GOLDNET HONEYSUCKLE. This is one of the best color-leaved plants throughout the summer. The variegation is very definite in that all the veins throughout the leaves form a rather broad netting of gold. Flowers are buff-yellow and as fragrant as the common Honeysuckle. The branches taken from it contribute handsomely to the effect of a vase of flowers. 2½ in. pot plants which will mature quickly. \$1.25 each.

MONKSHOOD VINE. Not new and not too well known, we think that this vine should be more widely planted. A vining plant with beautiful cut-leaf foliage and orange berries in the autumn. Our plants originally came from China. 2 yr. No. 1. \$2.50 each.

WILSON'S IVY. A rare and hard to get plant that is receiving its first real promotion with this write-up. Top horticulturists state that there is no finer evergreen ivy than Wilson's. Absolutely untouched by —30 degree weather, the tough leathery leaves team up with a deep forest green color to give you a lustrous shiny vine that is really terrific. 2½ in. pot plants. 75c each.

BITTERSWEET. Rapid growing, twining vine. Bright orange berries with scarlet seeds in autumn, hanging on late. We suggest planting two plants for cross-pollenization. 2 yr. No. 1, \$2.00 each.

CLIMBING HYDRANGEA (Hydrangea Petiolaris). Extremely rare. Foliage large and bold. Clings without support. Flowers in large, flat clusters. Very showy and fragrant. Slow growing to 20 ft. \$2.00 each.

DUTCHMAN'S PIPE. Large leaves. Flowers resemble a pipe. 3 yr. No. 1, \$2.50.

EUONYMUS RADICANS. See Page 22

GRAPES. Don't overlook the use of grapes as vines. Listed on page ?

HONEYSUCKLE. Heckrotti. Red trumpets lined with gold. \$1.95 each.

IVY. Boston. Self clinging; one of the best. Small foliage that colors well in the fall. \$1.95 each.

SILVERLACE VINE. Very rapid grower producing lacy sprays of creamy white flowers. Free blooming. 2 yr. No. 1, \$1.95 each.

TRUMPET VINE. Trumpet-shaped flowers of bright orange-crimson. Blooms July and August. Hardy. 2 yr. No. 1. \$2.50 each.

VIRGINIA CREEPER. Rapid growing, beautiful autumn color. Ideal for covering stone walls, fences, etc. 2 yr. No. 1. \$1.95 each.

WISTERIA. A rampant clinging vine with flowers in long drooping clusters, resembling sweet peas. We offer grafted plants from blooming wood to insure blooming. Wisteria needs to be established well before blooming. We have 2 yr. No. 1 vines in purple. \$3.00 each.

Perfect Ground Cover for Banks and Shady Places

where grass is not satisfactory

BALTIC IVY. Thick glossy leaves, evergreen. Excellent for shady spots. Plants in 2½" pots, \$6.00 per doz.; gallon cans, \$1.00 each.

EUONYMUS COLORATUS. Almost evergreen. Deep green leaves that are tinged purple. Highly colored in fall and winter. 75c each.

HALL'S HONEYSUCKLE. Rapid growth, nice foliage. Creamy white fragrant flowers. 2 yr. No. 1, \$1.00 each.

KINNIKINNICK. Excellent ground cover. Pink flowers followed by red berries. Dark green foliage. Plants in 2½" pots, \$6.00 per doz.; gallon cans 18" across, \$1.00 each.

PACHYSANDRA (Japanese Spurge). One of the best ground covers for shady spots, especially under pine trees. We recommend this very highly. 10 for \$1.50; \$12.00 per 100.

POLYGONUM REYNOUTRIA. One of the best ground covers for sunny places where Vinca or Pachysandra would not be feasible. Very easy to grow, very hardy, and establishes itself quite rapidly from underground runners. Pale green foliage turns brilliant red in the autumn. Pink sprays of flowers in the fall and never grows over 6 inches. 2 yr. No. 1 plants, 35c each; 3 for \$1.00.

VINCA MINOR. Evergreen ground cover with delicate blue flowers in spring. Thrives in the shade. \$1.50 per 10; \$12.00 per 100.

Stanek's NOW OFFERS LANDSCAPE PLANNING SERVICE

We Will Help You

**"Custom landscape"
your home for an
amazingly low cost**

**NOW YOU CAN
START WITH A
PROPER LANDSCAPE
PLAN AT NO COST
TO YOU**

For home owners who desire to create new beauty on their home grounds, and for those who enjoy the satisfaction and economy derived from "Planting It Yourself", we proudly maintain this service. The first and most important step in preparing your landscape program is to have a carefully planned Planting Plan to follow — one which is tailored to exactly fit your individual grounds, using the best choice of hardy materials suited to your area to give you permanent and gratifying beauty with modest amount spent on the planting materials.

First write for our Sketch Blank. On this will be found full and simple instructions for you to follow in making the preliminary drawing of the house and grounds. Please establish all dimensions as accurately as possible and answer all the questions found therein.

Upon receipt of this drawing and information and your remittance in the amount of \$10.00 our Landscape Expert will design you a complete plan, including a planting list of hardy materials best suited for your particular needs, as well as a sur-

Our Landscape Architects are ready to help you with the problem of effectively planting your property. Each home requires a distinctly separate application of landscape principles, and our Landscape Architects will treat your problem as a separate plan, "custom-tailored" for your property. We are confident they will achieve a pleasing and attractive effect, one that will bring you pride and pleasure for years to come.

Read full directions below.

prisingly reasonable cost estimate covering the items included. Then if you purchase the planting materials from us and your first order amounts to \$75.00 or more, the \$10.00 fee you have already paid on the plan will be applied on your order as a credit, thus giving you this Landscape Service ABSOLUTELY FREE. Yes, this is truly an easy and economical way to start your landscape with a purpose.

This Landscape Service applies only to the average size lot and we reserve the right to reject complicated plans where we feel the customer could be best served by employing the services of an architect right on the grounds.

It will be to your advantage to get your Landscape Plan ordered EARLY. After April 1st we cannot guarantee to make prompt delivery of plans. Our rush season is April and May and it is impossible to promise quick service for plans that are ordered late. Because of the handling expense involved, your initial order must be \$75.00 or more to deduct the \$10.00 plan credit, however, the stock may be shipped as wanted.

**(PLEASE NOTE THAT WE CANNOT GUARANTEE TO COMPLETE
ANY PLANTING PLANS DURING THE MONTHS OF APRIL AND MAY)**

LAWN GRASSES

A well kept, vigorous growing lawn not only enhances the appearance of your home but increases the value as well. Don't make a bad beginning by buying cheap seed. All of seed listed below is certified and guaranteed. Our lawn care book is included FREE with every grass seed order.

MERION BLUE GRASS. A new blue grass with heavy roots permitting it to stay green longer during hot weather when other varieties "burn out." Darker green color and spreads faster in new seedlings. Easy to maintain and requires less frequent cutting. Heavy cushioned turf crowds out weeds. 1 lb. sows 400 sq. ft. 1 lb., \$2.10; 5 lbs., \$9.50; 10 lbs., \$18.50. PREPAID.

TUFF-IT This is the mixture for either sun or shade and will take all the kids can give it. Contains Red Creeping and Chewings Fescue and Kentucky Bluegrass. 1 lb. sows 250 sq. ft. 1 lb., \$1.30; 5 lbs., \$6.00; 10 lbs., \$11.00. PREPAID.

"SUNNY SPOKANE" MIXTURE. This is our own famous mixture that we have used on Government work for over 40 years. Contains Bluegrass, Red Creeping Fescue and White Dutch Clover. For a fast-to-become established lawn and easy to maintain—there is no equal. 1 lb. sows 250 sq. ft. 1 lb., \$1.10; 5 lbs., \$5.00; 10 lbs., \$9.00. PREPAID.

ANSWERED — FERTILIZING, MOWING**
LILY'S answers all of your lawn questions—Fertilizing, Watering, Mowing, Raking, Reseeding. With this booklet, you can be the one on the other side of the fence whose grass is always the greenest.

POPULAR LANDSCAPE SHRUBS

**For Ranch Houses, Picture Windows,
Foundations, Colorful Borders**

ALTHEA (Hibiscus or Rose of Sharon). Upright shrub, with double flowers blooming in August and September. We have four colors — Pink, Purple, Red and White. 2-3 ft. \$2.50 each.

BARBERRY. Crimson Pygmy. Very dwarf growing, same purple or red foliage as atropurpurea. We have never seen it over 15 inches high. \$2.50 each.

Thunbergi. Green foliage turning to crimson in autumn. Red berries. Widely used and very attractive. 15-18 in. bushy stock. \$1.65 each.

Atropurpurea. Purple or red foliage. The most popular barberry planted. Foliage holds its color throughout the summer. 15-18 in., \$1.75 each.

BEAUTY BUSH (Kolkwitzia). Attractive foliage with a profusion of pink flowers in May. Our favorite flowering shrub. 24-30 in., \$2.50 each.

Burning Bush
COLOR CHANGING

EUONYMUS ALATUS. One of the most beautiful and satisfactory of all shrubs. Yellow flowers in May-June followed by red berries which are very attractive in late summer and fall. Through the summer the foliage is a rich green. In the fall, it's foliage colors a brilliant coppery-crimson tinged rose—hence the name "Burning Bush." An unusual corky bark adds to the winter appearance of this marvelous shrub. We have them in the compact form which grows about 4 ft. tall and the regular form which reaches a height of 6 to 8 ft. tall. Both are the same price. 12-18 inches, \$1.25; 2 to 3 ft., \$3.95; 3 to 4 ft., \$5.00.

DEUTZIA. *Gracilis*. Low growing shrub never over 3 ft. Snow white flowers cover the bush in May. Used extensively for flower arrangements. 12-15", \$2.50 each.

Pride of Rochester. A tall stately growing shrub up to 8 ft. Very beautiful in May when it is covered with a profusion of double white flowers tinged with pink. 2-3 ft. \$2.50 each.

HONEYSUCKLE. *Zabell*. We believe this to be the finest of all red honeysuckles and have discarded our other varieties in favor of it. 2-3 ft. \$2.25 each.

FLOWERING QUINCE. Low growing shrub with glossy foliage. Bright red flowers in the early spring followed by decorative fruit-quinces in the fall. 2-3', \$2.25 each.

OUTSTANDING NEW VARIETIES OF FLOWERING QUINCE

GLOWING EMBER. Very glowing red. 2-3 ft., \$3.00 each.

APPLEBLOSSOM. New light pink. 1 ft., \$4.00 each.

NIVALIS. Pure white. Outstanding 3-4 ft., \$6.00 each.

FIRE DANCE. New. Very large bright red blooms. 18-24 in., \$5.00 each.

FRENCH PUSSYWILLOW. Very large catkins and tall growing. One of the best forcing varieties. Excellent green foliage during the growing season. 3-4 ft., \$2.95 each.

FLOWERING ALMOND. Very popular as the shrub which covers every twig and branch with dainty little double pink flowers that remind one of miniature roses. 2-3 ft., \$2.50 each.

HYDRANGEA. *Arborescens*. Large, double snow white flowers in June and July. Thrives in shady places. 24-30 in., \$2.50 each.

Paniculata. Often called "P.G. Hydrangea." Very popular shrub with huge, conical heads of flowers that turn pink as they age. Blooms in August. Bush type. 2-3 ft., \$2.50 each.

Blue Hydrangea. Large flower that comes in July and August. For real blue color in our area, mix a tablespoon of aluminum sulphate in the soil about the plant. We also suggest a light mulch for winter protection. 2 yr. plants, \$3.00 each.

HYPERICUM. (*Hidcote*). The hardiest of all Hypericum. Very dwarf, shapely shrub which grows oval shape of 2 to 3 ft. in diameter, densely covered with glossy foliage. It bears cymes of golden flowers at the end of every new branch. This mound of gold is very free flowering. We have had it in our nursery for several years and those that have seen have bought it. We now have enough for our mail order customers. 18-24 in., \$2.50 each.

POTENTILLA. *Katherine Dykes*. A graceful small, 3-foot high shrub, upright in growth, yet compact. Foliage is dense and fern-like in effect. From early June till frost, the plants are studded with light chrome-yellow, chalice-like blooms. A splendid, low-growing and graceful shrub for foreground planting, fits in perfectly with perennial plants in the hardy border. Prefers a sunny location. \$3.00 each.

HANDY

PLANTING GUIDE

To show you how to give your nursery stock the fastest possible start and to prevent mistakes in planting which would endanger or slow the growth of your stock.

Flowering Forsythias

FORSYTHIA (Golden Bells). *Abeliophyllum distichum*. A rare new shrub and while it does not belong to the Forsythia family, the first time you see it in bloom you will exclaim to the resemblance to the Forsythia. Buds are formed in the fall and open in the early spring to transform the bush into a mass of white blossoms. The flowers are actually pale pink when they open but soon fade to white. We have seen this bush used with an underplanting of Red Emperor tulips. What a sight! Nice plants of 18-24 in. \$3.50 each.

Beatrix Farrand. Named in honor of the famous landscape architect, Beatrix Farrand was originated at the Arnold Arboretum by Dr. Karl Sax. A very extremely vigorous grower making a large symmetrical bush. The deep golden yellow flowers are over 2 inches in diameter and have striking orange markings in the throat. We think you will like our husky 2-3 ft. bushes. \$2.95 each.

Lynwood Gold. The finest of all deep golden yellow Forsythias. Erect branches are literally smothered under the golden flowers from top to bottom. With the bloom just as profuse as Spring Glory, why not plant them together for early spring blooming contrast? 2-3', \$2.50 each.

Spring Glory. Without question the loveliest of all Golden Bells. The large pale yellow flowers completely cover each branch with a mass of bloom. There is nothing that will make you forget winter as quickly or announce spring as flamboyantly as Spring Glory. 2-3', \$2.50 each.

NEW!

NEW!

BRONXENSIS. New dwarf Forsythia that blooms. Small leaves densely clothe the greenish-bronze stems. Not over 3 ft. Ideal for wherever small plants are needed that won't get out of bounds. 15-18 in., \$3.00 each.

TAMARIX. *Hispida*. A beautiful shrub with bright pink flowers in June and July. Very hardy. For best results with this shrub, cut back to the ground every two years. As they are rather hard to start, we give them a severe pruning prior to shipment. 24-30 in., \$2.50 each. **Summerglow**. The airy Tyrian rose spikes appear on top of the delightful foliage all summer long. Longer blooming and lighter in color than *Hispida*. We suggest the same type pruning as for *Hispida*. 2-3 ft. \$2.95 each.

CHEYENNE RED. Much-talked about red Tamarix. Foliage blue-green. Blooms in spring and late summer with red flowers. 2-3 ft., \$2.95 each.

Butterfly Bushes (Buddleia)

Most Useful of All Flowering Shrubs

Charming. Lavender pink.

Dubonnet. Dark wine.

Empire Blue. Aster-blue.

Royal Red. Royal dark purple.

White Cloud. Pure white.

ALL BUDDLEIA, 2 yr.

PERSIAN. Purple.
PRES. GREVY. Dbl. blue.

PRICES ON ABOVE LILACS, 2-3 FT. \$2.95 EACH

SPIREA. Anthony Waterer. Flat heads of rosy-pink flowers are borne all summer on these popular, compact, dwarf shrubs. Attractive foliage. 15-18 in., \$2.25 each.

Caryopteris (Blue Mist). Often called Blue Mist or Hardy Blue Spirea. Low growing shrub covered with numerous clusters of powdery blue, fringed flowers from August to frost. Very attractive silvery green foliage. Very new and dainty. We recommend this hardy shrub very highly. No. 1 bushes, \$2.00 each.

Prunifolia. The true bridalwreath spirea. Produces great masses of double white flowers that are very showy and excellent for cutting. 2-3 ft., \$2.50 each.

Thunbergi. A fine display of white bloom in early spring prior to leaves. Foliage is soft and feathery. Rather spreading habit. 2-3 ft., \$2.25 each.

TRILOBATA, SWAN LAKE. A rare and lovely Spirea, most beautiful of the white spring flowering shrubs. Never growing over 3 to 4 ft. tall, it is just perfect for the new low type architecture of the modern home. White Swan is completely covered with unbelievable masses of white flower clusters that mingle with dark green leaves. 18-24 in., \$5.00 each.

Van Houtte. A graceful, pendulous shrub surpassing all other spireas with its superb gracefulness. The most widely planted of the spireas. 2-3 ft., \$2.25 each.

PHILADELPHUS (Mock Orange). Virginalis. Immerse fragrant, double white flowers in large clusters that weigh down the branches. Blooms in May and June. 2-3 ft., \$2.25 each.

Minnesota Snowflake. Very double, new variety of mockorange. Fragrant. Blooms cover the plant from top to toe and keep coming all summer. 2-3 ft., \$2.50 each.

Frosty Morn. The new dwarf mockorange. Very fragrant and very double white. Frosty Morn blooms in June and July. Has proven to be thoroughly hardy here in the Inland Empire. It never reaches a height of over 3 ft., so it should be very adaptable for the foundation plantings of the newer type rambling home. 15-18 in., \$2.50 each.

Golden Mockorange. Newer variety of Mockorange. Very dwarf growing and compact with a striking yellow foliage. Ideal for the newer ranch-type home where straight evergreen plantings are a thing of the past. 15-18 in., \$2.50 each.

Silver Showers. New dwarf mock-orange growing no more than 3 ft. White star-shaped blooms so fragrant they scent a neighborhood. 12-15 in. \$3.00 each.

SYMPHORICARPOS (Snowberry). Chenaulti. New improved variety. Small leaves, graceful arching branches; pink flowers followed by small red fruit in the fall. 3-4 ft., \$2.95 each.

SMOKE TREE. An attractive specimen continuously from early spring until late fall; particularly fascinating in July, when it carries a great mass of filmy purplish clusters that resemble a rising cloud of smoke. Its flat leaves are stained pink, when young, and are of yellow and purple in autumn. 2-3 ft., \$3.50 each.

Magnificent Purple Fringe SMOKE TREE

One of the most talked about shrubs in our nursery. While we call it a tree, it is really a shrub because it does start branching near the ground and grows to a height of 8 to 10 ft. The foliage is a deep purple with a slight edge of red around the perimeter of each individual leaf. During the course of the summer, large filmy clusters of purplish-red blooms appear that look just like smoke. We have nice bushes about 2 to 3 ft. tall, only \$6.00 each.

WEIGELA. Bristol Ruby. Our newest Weigela. Hardier and more vigorous, it makes a shapely, thrifty plant with attractive rich green foliage. Color is soft ruby red, extremely pleasing in effect and without harsh tone. The bush is perfectly formed, a well-rounded specimen requiring very little pruning because it flowers well from old wood; no die-back or uneven growth at any time. We have discontinued all other varieties in favor of this one. 24-30 in., \$2.50 each.

Variegated. An unusual Weigela that will add a distinction to your home landscape. Green and white variegated foliage that will add a good contrast to your other shrubs all summer. Pink bell-shaped flowers that keep coming throughout the flowering season. Nice size shrubs that will bloom the first year, \$2.95 each.

Shrub Offer No. 13 BABY FLOWERING SHRUBS

Our Baby Flowering Shrub Collection contains 18 shrubs. By planting them 3 to 4 feet apart, you will have enough shrubs to plant a screen 50 to 65 feet long. Chosen by us to give you a continuous bloom throughout the summer months. These shrubs are 2 years old and will give you a good screen in one or two years. All will bloom first year planted.

- 2 Hydrangea P.G.
- 3 Mockorange
- 4 Spirea V. H.
- 2 Fl. Almond
- 2 Forsythia Spring Glory
- 3 Honeysuckle Zabeli
- 2 Beauty Bush

YOU MAY MAKE YOUR OWN SELECTION FROM THE ABOVE LIST. WE WILL BE HAPPY TO SHIP OR DELIVER ANY COMBINATION OF 18 SHRUBS THAT YOU SELECT. YOU CAN ALSO BUY THEM INDIVIDUALLY AT \$1.00 each. ALL SHRUBS LISTED ARE 2 yr. OLD AND WILL BLOOM THIS YEAR.

EVERY SEASON OF THE YEAR

Viburnum

VIBURNUM. Highbush Cranberry. Well known hardy shrub, single white flowers in April-May, followed by scarlet fruit that hangs on all winter. Very attractive and showy. 3-4 ft., \$2.50 each.

Common Snowball. A very popular shrub that blooms profusely in late spring and early summer. White snowball-type blooms. 2-3 ft., \$2.50 each.

NEW!! NEW!! VIBURNUM TOMENTOSUM MARIESI

This variety is an improved form of the Tomentosum. The plants do not grow quite as tall nor quite as fast (about 6 to 7 ft. when mature), but it blooms more profusely and while still young. For those of you who like the White Dogwood, the blooms on Mariesi are similar and this shrub will give you the same effect. Cheaper than Dogwood too, and hardier. 2-3 ft., \$4.95 each.

Juddi. Compact and sweet-scented pink snowball-like bloom. Dwarf growing. 2-3 ft., \$3.00 each.

Chenaulti. Looks and grows similar to Burkwoodi but more compact and hardier. 2-3 ft., \$4.00 each.

Burkwoodi. Shiny dark green foliage. Blush-white blooms in the spring. Very popular. 18-24 in., \$4.75 each; 3-4 ft., \$8.50 each.

Carlesi. Beautiful rosy-red buds open exquisite shell-pink. Very, very fragrant. 18-24 in., \$6.00 each; 2-3 ft., \$7.50 each.

Dentatum (The Arrowwood Viburnum). White blooms in spring followed by big, fat cluster of bright blue seeds. 2-3 ft., \$3.00 each.

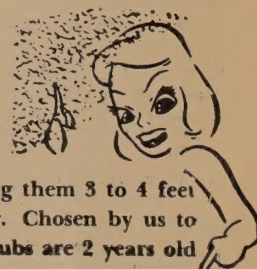

Lantana (The Wayfaring Tree). Large flat flowers of white are followed by glowing red fruits which change to dark blue. 2-3 ft., \$3.00 each.

Lentago (Nannyberry). Fragrant white flowers followed by oval black berries. Shiny green leaves turn to purple red in fall. 2-3 ft., \$3.00 each.

Opulus Luteo. Very similar to the Highbush Cranberry only yellow fruits in the fall. 2-3 ft., \$5.00 each.

Wrighti. This is one of our favorites. Metallic-green leaves with sunken veins. The glistening red fruits make a brilliant fall display. 2-3 ft., \$6.00 each.

Setigerum (Tea Viburnum). This shrub belongs in the elite class by all who know it. Flat snow-white blossoms in spring followed by tremendous clusters of red berries in fall. 2-3 ft., \$5.00 each.

UNUSUAL AND NEW SHRUBS

IN THIS NEW, LARGER CATALOG, WE NOW HAVE SPACE TO LIST SOME OF THE UNUSUAL SHRUBS THAT WE GROW. WE HAVE USED THEM FOR YEARS IN OUR LANDSCAPE WORK AND NOW OFFER THEM TO YOU SO THAT YOUR GROUNDS MAY HAVE THAT "PROFESSIONAL" LOOK.

AUSTRIAN COPPER. The well-known shrub rose with the coppery spring blooms. 2 yr. No. 1. \$2.50 each.

ARONIA. (Chokeberry)

Brilliantissima. Glossy foliage, brilliant autumn coloring with red berries. 2-3 ft., \$3.00 each.

Melancarpa. Same as above, only black berries. 2-3 ft., \$3.00 each.

ACANTHOPANAX (Five-leaved Aralia). Glossy rich green foliage with arching branches. 3-4 ft., \$3.50 each.

BARBERRY.

Columnberry. Very erect growing. Green foliage. Outstanding fall coloring. 18-24 in. \$2.50 each.

Korean. Dense, upright growing to 6 ft. Showy yellow flowers with persistent bright red fruit in the fall. Leaves are deep red in autumn. 2-3 ft., \$3.50 each.

Mentor. Semi-evergreen. Glossy green foliage. Drought resistant. 12-15 in., \$2.50 each.

Thornless. Similar to the common green Barberry only without thorns. 12-15 in., \$2.50 each.

BENZOIN AESTIVALE. The well known Spice Bush. Yellow flowers before leaves appear. Red berries in the fall. 2-3 ft., \$2.50 each.

CALLICARPA (Beautyberry). Pink jewel-like flowers in August. Violet purple berries in the fall. 2-3 ft., \$3.50 each.

CERCOCARPUS (Mt. Mahogany). Thickly branched shrub growing to 7 ft. Attractive fruits in the fall. 2-3 ft., \$4.50 each.

COTONEASTER.

Acutifolia (Peking Cotoneaster). Vigorous upright shrub with glossy dark green foliage. Black fruits. 2-3 ft., \$2.50 each; 4-5 ft., \$5.00 each.

Bullata. Spreading upright shrub, grayish green foliage. Abundance of red berries. 3-4 ft., \$6.00 each.

Divaricata. Deep waxy green foliage, almost evergreen. Bright red fruit. 2-3 ft., \$3.00 each; 3-4 ft., \$4.50 each.

Cornubra. Pendulous habit with very large leaves. Abundance of large red fruit. 3-4 ft., \$7.50 each.

CALYCANTHUS (Sweetshrub). Dense growing, large glossy leaves. Grows well in shade. Blooms of chocolate-red that are spicily fragrant. 2-3 ft., \$4.00 each.

DOGWOOD.

Elegantissima. Variegated foliage of green and white. Red branches. One of the best variegated shrubs. 2-3 ft., \$4.00 each.

Redtwig. Brilliant cherry red branches that show up well against the snow. Upright, bushy growing. 3-4 ft., \$3.00 each.

Yellowtwig. Similar to preceding, only yellow branches. Very effective when planted with Redtwig. 3-4 ft., \$3.00 each.

Coral Beauty. New variety similar to Redtwig but branches turn a vivid salmon pink in the winter. Outstanding. 2-3 ft., \$5.00 each; 5-6 ft., \$12.00 each.

Kelseyi. Low growing compact shrub not over 2 ft. Red branches in the winter. 12-15 in., \$3.00 each.

Mas (Cornelian Cherry). Small yellow blooms in the spring; large red fruits in the fall. Outstanding. 3-4 ft., \$6.00 each; 8-10 ft., \$17.50 each.

DEUTZIA.

Lemoine. Very floriferous. Semi-dwarf. Creamy white flowers in upright racemes. Distinctly different. 3-4 ft., \$3.00 each.

Kalmiaeflora. Neat compact, low growing. Smothered with pink flowers in May and June. 18-24 in., \$3.00 each.

EUONYMUS.

Planipes. Undoubtedly one of the best. Excellent foliage and coloring. 3-4 ft., \$12.50 each.

Phellomanus. Rare shrub with very distinct corky-winged bark. Very large red fruits. 3-4 ft., \$7.50 each.

Gracilis. A more slender and compact form of alatus with same fine fall coloring. 2-3 ft., \$4.50 each.

Latifolia. Yellow flowers, long pink fruit. Beautiful fall coloring. 2-3 ft., \$3.50 each.

Europaeus. Pink fruits on long stalks that persist thru the winter. Commonly called the European Burningbush. 2-3 ft., \$4.50 each.

Yeddo. Pink and orange bittersweet-like fruit. Our first euonymus to color in the fall. 3-4 ft., \$6.00 each.

ELAEAGNUS (Russian Olive)

Angustifolia. Common shrub that grows anywhere. Silvery-gray foliage. Yellow flowers and silvery olive-shaped fruits. 2-3 ft., \$1.00 each; 3-4 ft., \$2.50 each.

Ebbingei. Dwarf-growing, compact and bushy. Not over 4 ft. Glossy foliage, nearly evergreen. 2-3 ft., \$4.50 each.

Multiflora. Rapid and vigorous growing. Silver foliage. Fragrant creamy white flowers. Scarlet red fruits in July. 2-3 ft., \$4.50 each.

Umbellata. Highly recommended. Silvery foliage and good effect when laden with oxblood red fruits. 4-5 ft., \$7.50 each.

EXCHORDA (Pearlbush). Neat Spirea-like shrub with clusters of snowy white flowers in spring. The flower buds resemble pearls. 2-3 ft., \$3.00 each.

FILBERT (Hazelnut)

Americana. Ornamental catkins in the spring; edible nuts in the fall. Commonly called Hazelnuts. 3-4 ft., \$6.00 each.

Afropurpurea. The well known purple-leaf Filbert. Brilliant rich purple foliage in spring that fades to bronze in the summer. 3-4 ft., \$6.00 each.

HARRY LAUDER'S WALKING STICK

Corylus Contorta. This will be the conversation piece in your garden. Twisted branches look just like Harry's famous cane. Slow growing and easily cared for. 3-4 ft. \$10.00 each.

ALL OF THE
FLOWERING SHRUBS
LISTED ON PAGES 12, 13
AND THIS PAGE ARE
HEAVY LANDSCAPE
SIZE BUSHES.

FOTHERGILLA. Spikes of white flowers in spring. Colorful orange and red foliage in the fall. Rare and outstanding. 2-3 ft., \$12.50 each.

HONEYSUCKLE.

Fragrantissima. Often called Winter Honeysuckle. White, sweet-scented flowers. Almost evergreen. 2-3 ft., \$3.00 each.

Clavey's Dwarf. Neat, compact growing honeysuckle not over 3 feet. An outstanding new low growing shrub for the foundation planting. Why not try some of our newer low growing shrubs in the foundation planting to get away from the monotony of straight evergreens? \$3.00 each.

HAMAMELIS (Wichhazel). Bright yellow flowers in the early spring. Excellent foliage thru the summer. 3-4 ft., \$6.00 each.

HYDRANGEA.

Praecox. Large panicles of white flowers. Beautiful fall coloring. New. 2-3 ft., \$7.50 each.

Quercifolia. Often called Oakleaf Hydrangea. Beautiful fall coloring. Succeeds in shade. 2-3 ft., \$6.00 each.

ILEX VERTICILLATA (Winterberry). A deciduous Holly with red berries that persist all winter. 3-4 ft., \$6.00 each.

PSYDOPARPUS (Golden Ninebark). Bright golden foliage in spring that shades to chartreuse in summer. Very popular for arrangements. 3-4 ft., \$3.00 each.

SUMAC.

Staghorn. Fine cut foliage. Young wood looks like Deer horns. Outstanding fall color. Irregular and exotic growth. 2-3 ft., \$2.50 each; 6-7 ft., \$7.50 each.

Canadensis. Often called Fragrant Sumac because of aromatic foliage. Small yellow flowers in spring followed by red fruits. 2-3 ft., \$3.00 each.

SYMPHORICARPUS.

Mother Of Pearl. New Pink Snowberry with white pearly pink berries. Outstanding. 2-3 ft., \$3.00 each.

PHOTINIA VILLOSA (Christmasberry). White flowers in spring with red fruits in fall similar to Washington Thorn. Thick waxy foliage colors highly in the fall. 3-4 ft., \$7.50 each.

RHODOTYPOS (Black Jethead). Fresh green foliage with white flowers in spring. Shiny bead-like black berries all winter. 2-3 ft., \$3.00 each.

WEIGELA.

Middendorffiana. Large yellow flowers marked orange in the throat. Very rare and much desired. 18-24 in., \$4.00 each.

Fairy. The only good pure pink Weigela. 2-3 ft., \$3.00 each.

Candida. Large pure white bloom. Extra choice. 3-4 ft., \$4.00 each.

ON FLOWERING SHRUBS

If you can use four or more flowering shrubs of those listed on pages 12, 13 or 14, here is your chance to save 10%.

Select any four shrubs that are listed on these three pages, mark them on the order blank found in this catalog and then deduct 10% from the regular price. We will ship them prepaid at the proper planting time and guarantee them to grow and flourish in your yard.

Hedge Plants

Low Edging • Medium Hedges • Tall Screens

All Heavy Field Grown Plants

AMERICAN ARBOR VITAE

- FAST GROWING
- EVERGREEN
- SHEARS WELL

Our most popular planted evergreen hedge. Very fast growing — 12 to 24 in. per year. Hardy and evergreen. Looks good whether you trim it into box-shape or just let it grow. Plant from 3 to 4 ft. apart, depending on how fast you wish a good tight hedge.
Baby Size. 12-15 in., \$1.75 each; 10 for \$15.95.
King Size. 3 ft., \$3.50 each; 10 for \$30.00.

ALPINE CURRANT. Dwarf compact shrub, dark green foliage. Can either be trimmed or let grow. Good fall coloring. 12-15 in., \$1.50 each; 24-30 in., \$2.75 each.

BARBERRY. Thunbergi. Green foliage with yellow flowers. Brilliant foliage in autumn with red berries. Hedging size, \$6.00 per dozen.

Red Leaf. Same as above except foliage is red or purple throughout summer. Hedging size, \$7.00 per dozen.

BOXWOOD. Truetree. Leaves shaped similar to Privet but evergreen. Can be easily sheared into any shape desired. 12-15 in., \$1.65 each; 10 for \$15.00.

Truedwarf. Very dwarf and slow growing. Excellent for a miniature hedge. Evergreen. 5-6 in., \$1.00 each; 10 for \$9.00.

CARAGANA (Pea Shrub). Very hardy bush with yellow flowers in May and June. If you have some spot where nothing else will grow try Caragana. It needs no care! Hedging size, \$6.00 per dozen.

COTONEASTER. Acutifolia. Makes an attractive hardy hedge. Dark green leaves. Black berries. Outstanding fall color. 15-18 in., \$1.25 each; 10 for \$10.00.

HONEYSUCKLE. Zabeli. Good grower with red flowers. Hedging size, \$6.00 per dozen.

PRIVET. English Privet. Dark green foliage that hangs on nearly all winter. 4 canes and up. \$4.00 per dozen; \$30.00 per 100.

Lodense. The finest plant for a low hedge or border. Very dwarf habit. We recommend this very highly. Can be used also as individual plants; nearly evergreen. 50c each; \$45.00 per 100.

HEMLOCK. Canadian. Most graceful of all evergreens. Plant 5 to 6 ft. apart. 5-6 ft., \$10.00 each; 10 for \$80.00.

RUSSIAN OLIVE. Silver grey leaves, white berries. Very tough; nothing penetrates through this plant when used as a hedge. Hedging size, \$7.50 per dozen.

SPIREA. Van Houtte. Very popular for a graceful hedge. White flowers in spring; good foliage. Hedging size, \$6.00 per dozen.

YEW. Hedge. For a small ornamental hedge to 4 ft., this Yew has no equal. Red Berries in the fall. Evergreen. 15-18 in., \$2.75 each.

Fence the Friendly Way

Costs Less than Cheapest Wood or Metal Fences and Never Needs Painting.

EVERBLOOMING FENCE ROSES

FOR AN ATTRACTIVE HEDGE, WE DO NOT KNOW OF ANYTHING THAT WILL COMPARE TO THE FOLLOWING THREE HEDGE ROSES. THEY JUST WON'T STOP BLOOMING.

BETTY PRIOR. One of the finest for either hedge or massing. Outside of petals dark carmine, inside several shades lighter. Plant 24 to 30 in. apart. 3 for \$4.50; \$16.50 per dozen.

COUNTY FAIR. County Fair provides fragrant sprays of big pink flowers, thick handsome foliage, and vigorous yet compact growth. A mantle of color the very first season; grows 3 to 4 ft. Sold in units of 6 only. Pat. 1897. 6 for \$4.95; 12 for \$8.95; 24 for \$15.95.

HYBRID 311. The first genuine patented hybrid rose created exclusively for low-cost mass planting as living fences, hedges or property dividers. Thousands of brilliant currant-red flowers, lush green foliage and compact growth habit. Sold in units of 6 only. Pat. 1885. 6 for \$4.95; 12 for \$8.95; 24 for \$15.95.

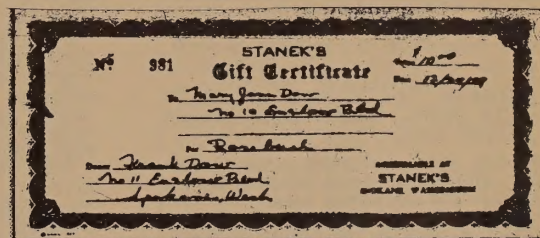

BOTH COUNTY FAIR AND HYBRID 311 ARE SHOWN IN FULL COLOR ON THE INSIDE BACK PAGE OF THIS CATALOG.

SEND

Living Gifts

**That Will Be Cherished for Years
For Christmas, Birthdays, Mother's Day,
Easter, Anniversaries, Any Occasion**

Each year more and more people wish to send their friends and loved ones Living Gifts. It is very easy to do.

You select from our catalog whatever you wish us to send. With your remittance, give us the name and complete address to whom you want it shipped. We will send this party a suitable Gift Certificate giving your name as donor and listing the stock you selected (without prices). It will be shipped at the proper planting time. *We guarantee satisfaction to you and to those receiving the gifts.*

MAY WE SUGGEST that in times of bereavements, you send Rosebushes, Flowering Shrubs or small Ornamental Trees to your friends or relatives as a token of your sympathy. They will remember your condolences with this Living Memoriam. Also the planting of a shade or fruit tree to honor the arrival of a new baby into your family or the family of your friends is very appropriate.

Please be sure to give us the following information:

The name and address of each person to whom you wish to send a Gift Certificate.

Your name and address.

The amount of each Certificate or if you choose specific items of nursery stock, we will not show any amount on the Certificate.

You may send us a gift card addressed to your friend. We will enclose the Gift Certificate and mail it at once.

If you prefer we will send the Gift Certificate directly to you and you may present it directly to the person for whom it is intended.

TREES LISTED ON THIS PAGE ARE *Styled* FOR THE MODERN RANCH TYPE HOME

The final touch needed to complete a garden scheme is the proper placing of a desirable tree. They may be used as accents; to outline paths and borders; to provide welcome shade; to furnish interesting patterns of light and shadow; to supply flowers, berries or foliage effects; or to add a feeling of quiet to the garden atmosphere.

Flowering Crabs

FLOWERING CRAB. Almey. Double red blossoms with scarlet fruit. We think this is the best in red. 4-5 ft., \$4.95 each; 6-7 ft., \$6.95 each.

Bechtel's. Large double pink and one of the most popular. The variety we now have has fragrant blooms. 4-5 ft., \$4.95 each; 5-6 ft., \$6.95 each.

Eleyl. Best of the purple-leaf crabs. Pink blooms borne in profusion. Red fruit. 4-5 ft., \$4.95 each; 6-7 ft., \$6.95 each.

NEW!! NEW!!

FERRILL'S CRIMSON. Entirely new red leaved flowering crab that holds its color the entire season. Medium growth, large single red flower. Red fruit. A welcome addition to the finest of all flowering trees for our area. 4-5 ft., \$5.50 each; 6-7 ft., \$8.50 each.

Floribunda. Pink buds, white flowers. Yellow fruit that hangs on all winter. Very attractive at any time of the year. 4-5 ft., \$4.95 each; 6-7 ft., \$6.95 each.

Flowering Cherries

FLOWERING CHERRY. Kwanzan. Double deep pink flowers. Very fragrant. 5-6 ft., \$6.00 each.

KWANZAN STANDARD. Same as above only trees are budded at 6 ft. and branching starts 6 ft. from the ground. 9-10 ft., \$17.50 each.

AUTUMNALIS. The earliest of all Fl. Cherries to bloom. Single, pink blooms. 6-8 ft., \$12.50 each.

AVIUM. One of the loveliest of all flowering trees. Dbl. pure white blooms in the early spring. 5-6 ft., \$10.00 each.

TAIHAKU. A superb variety with snow-white flowers often 2½ in. across. Young foliage coppery-red. 5-6 ft., \$10.00 each.

UKON. A rare treasure. Large semi double primrose-yellow flowers hanging between the young copper tinted leaves creates a sight not easily forgotten. Vigorous open habit makes a tree of handsome sight when in bloom. 5-6 ft., \$12.50 each.

Hopa. Very upright growing. Crimson buds, rose flowers. Fruit red that hangs on until late fall. 4-5 ft., \$4.95 each; 6-7 ft., \$6.95 each.

NEW!! NEW!!

CRIMSON BRILLIANT. The most brilliant red flowering crab to date. Tree is of medium height, reaching about 15 ft. at maturity. A rapid grower that flowers a year after planting, but as the tree grows older the number of flowers increase. Purple red fruit, red flesh about the size of a cherry. 5-6 ft., \$8.00 each.

Sargentl. Rather dwarf growing, white flowers and red fruit. 4-5 ft., \$4.95 each; 6-7 ft., \$6.95 each.

Scheldeckeri. Compact upright growth. Single rose blooms. Very popular, yellow fruit. 4-5 ft., \$4.95 each; 6-7 ft., \$6.95 each.

Flowering Peaches

FLOWERING PEACH. Double Red. Rich ruby-red. Very large blooms.

Helen Borchert. Shell pink. Very large. Desirable for forcing indoors. Prices, 5-6 ft., \$6.00 each.

SELECT YOUR OWN EVERGREENS, TREES, SHRUBS, and ROSE BUSHES

It is impossible to list all the plants we grow. The larger trees, specimen evergreens and shrubs that require transplanting with a large ball of earth, are mainly for local sales; it is obvious why it is not practical or economical to transport them any distance by rail.

Our "Balled and Burlapped" Evergreens . . . large broadleaf Evergreen and Deciduous Shrubs . . . Rhododendrons and Azaleas . . . large Fruit Trees . . . Vines . . . Perennials . . . are usually ready for "Cash and Carry" sales at proper planting seasons. Well-informed salesmen are ready to assist you to make your garden a part of your home life. Our business is not only to produce good plants but to advise you how to use them. For the benefit of those who cannot visit us weekdays, we are open Sunday 9:00 to 6:00, during the planting seasons.

NEW!! NEW!!

RED JADE. Semi-weeping in habit, Red Jade has bluish white flowers. However it is not the flowers but the brilliantly small jade red fruits that literally cover the tree in the fall. There is nothing quite like it. 3-4 ft., \$8.00 each.

LISET. Single flowers of purplish red in color and over 1½ in. across. Very profuse bloomer and blooms when very young. Foliage is purplish-red. 5-6 ft., \$8.00 each.

SUN DOG. Single, carmine flowers in spring with dark red fruit in the fall. Distinct advantage among the crabs is the columnar growing habit. 4-5 ft., \$6.00 each.

Flowering Plums

FLOWERING PLUM. Blireiana. Early flowering, double pink. Striking red foliage. 3-4 ft., \$3.95 each; 5-6 ft., \$6.00 each.

Cistena. New flowering plum. Red foliage with white contrasting flowers. Low branching and bushy. 3-4 ft., \$3.95 each; 5-6 ft., \$7.50 each.

Newport. Hardy upright grower maintaining its reddish purple color until leaves drop. 3-4 ft., \$3.95 each; 5-6 ft., \$6.00 each.

Sapa. Green leaves throughout the summer. We like this variety as having the most fragrant blooms of any tree we know. White in color, the fragrance of the blooms almost knocks us over when we pass our block that we have in the field. 3-4 ft., \$6.00 each.

Thundercloud. Rich dark red foliage that really stays red until the last leaf drops. Pink bloom. One of the finest. 4-5 ft., \$4.95 each; 6-7 ft., \$6.95 each.

Triloba. The most popular of all flowering trees. Small rosettes of pink flowers that literally cover each branch in the early spring. Often called "Rose of China." 3-4 ft., \$3.95 each; 4-5 ft., \$6.00 each.

Beautify Your Home With ORNAMENTAL TREES

DOGWOODS

DOGWOOD. Pink Flowering. One of the finest small growing ornamental trees; too often overlooked for use in the small yard. Pink flowers in the spring. The foliage colors very attractively in the autumn. 2-3 ft., \$7.95 each; 3-4 ft., \$9.95 each; 4-5 ft., \$13.95 each.

White Flowering. Same prices and description as above only flowers are white.

CHEROKEE CHIEF. One of the most beautiful of flowering trees. Its beauty is distinguished by brilliant red clouds of blossoms in the spring and the crimson foliage in the fall is unsurpassed. Pat. 1710. 30-36 in., \$7.50 each; 4-5 ft., \$13.95 each.

CHEROKEE PRINCESS. Superior form of white dogwood with the advantage of blooming at an early age. Vigorous grower and vivid autumn foliage with red berries. 4-5 ft., \$13.95 each.

KOUSA, CHINESE DOGWOOD. Large flower bracts often to 6 in. across. Blooms in June and over a period of a month. Fruits in the fall are red and large as strawberries. Scarlet foliage in the autumn. Very rare and desired. 3-4 ft., \$12.50 each.

WELCHI, TRI-COLORED DOGWOOD. Variegated leaves of green and white that have a purple tinge in the autumn. White bloom when very young. 3-4 ft., \$13.95 each.

DWARF MAPLE

MAPLE. *Circinatum*. One of the finest of the small growing trees. This tree has no equal for fall coloring. Maximum growth about 15 feet. 3-4 ft. well developed trees, \$7.50 each; 6-7 ft. specimens, \$17.50 each.

***Palmatum Atropurpureum*.** Often called Japanese Red or Ribbon leafed maple. Magnificent purple-red foliage, gracefully lacinated. Our trees have been grafted to assure you of the best color possible. 30-36 in., \$9.00 each.

***Dissectum*.** A very small growing tree to not over 6 ft. Very much in demand. Foliage is called "cutleaf." 12-15 in., \$6.00 each; 2-3 ft., \$10.00 each; 5-6 ft. specimens, \$49.50 each.

GOLDEN MOON. Very dwarf and slow growing. Yellow foliage; hence its name. Makes excellent Bonsai plant. Very rare. 12-15 in., \$17.50 each.

VIRIDIS. Similar to the red cutleaf listed above only foliage is green. Extra heavy standards. 18-24 in., \$15.00 each.

Hawthorns

HAWTHORN. *Paul's Scarlet*. Wide spreading spiny branches, the head equaling the height in diameter. Bright double-red flowers in abundance during May. 4-5 ft., \$3.00 each; 5-6 ft., \$6.00 each; 7-8 ft., \$7.95 each.

***Cordata* (Washington Thorn).** Deep green glossy leaves with outstanding autumn coloring. White flowers with glossy red berries. 6-7 ft., \$9.95 each.

AUTUMN GLORY HAWTHORN

Vigorous erect growing tree with grayish bark. White flowers followed by a profusion of large glossy, brilliant red berries all along the branches. Much more outstanding than the popular Mt. Ash. Featured extensively by the Wayside Gardens. 5-6 ft., \$8.50 each; 7-8 ft., \$12.50 each.

CONTORTA. An unusual dwarf tree. Twisted, arching branches. Red bloom. The 2-3 ft. stems make this ideal specimen for planting in tubs or your Japanese-type rock garden. \$9.00 each.

CARRIERI. Leathery, glossy green foliage. Single white blooms with large orange-red berries in the fall. 6-7 ft., \$8.95 each.

XYACANTHA, ENGLISH HAWTHORN. Spreading branches with stout 1 in. thorns. Very dense foliage, small white flowers. Scarlet fruit with two stones. 4-5 ft., \$10.00 each.

MONOGYNA STRICTA. Pyramidal form of the popular Washington thorn, much superior to the Lombardy Poplar. Columnar growing with white bloom and red fruit. 5-6 ft., \$12.50 each.

TREES IN SHRUB FORM

Because of the demand, we are now growing the following trees in shrub form. While they grow larger than the ordinary shrubs, they do find a use where you might want a little height and yet give you shrub effect. Use them in the background of your shrub planting, along drives and as individual specimens.

Hopa Crab	Maple Ginalla
Eleyi Crab	Cistena Plum
Bechtel's Crab	Prunus Triloba
Pink Dogwood	Spindle Tree
All are 4-5 ft. and priced \$6.00 each.	

TREE WISTERIA

Exotic and Crooked

No more lovely sight can be imagined than a Tree Wisteria in bloom. Few plants can add more class to your yard of formal garden than these small ornamental trees when the hundreds of flowers of purplish-blue flowers cover the tree during late May and June. We grow them crooked and exotic so that they are a true "Tree of Character". They develop into beautiful specimens as the years go by, increasing in beauty and dignity each successive season. Ideally suited for planting in redwood tubs to enhance your patio. A very nice conversation plant. Stems 3-4 ft. high and the crowns are about 2½ ft. in diameter. \$12.50 each.

SPINDLE TREE (*Euonymus Atropurpureus*). We have no small growing tree in our nursery that causes so much comment in the fall than the Spindle Tree. Green foliage in the summer that turns to all shades of red. After the foliage drops, the large masses of pinkish red, 4 lobed fruit shows up to remain on the tree well after Christmas. 3-4 ft., \$6.00 each; 5-6 ft., specimens, \$10.00 each.

MAGNOLIA

MAGNOLIA. *Soulangeana*. One of our most talked about small trees. Bright pinkish-purple blooms in the early spring that remind most people of tulips. Excellent glossy foliage throughout the summer. 2-3 ft. bushes without buds, \$3.95 each. 3-4 ft. bushes, well branched, with buds, \$9.00 each. 4-5 ft. bushes, well branched with buds, \$12.50 each.

***Stellata*.** Commonly called Star Magnolia because each individual flower develops into the shape of a star. White blooms that come on earlier than *Soulangeana*. 2-3 ft. bushes with buds, \$7.50 each. 3-4 ft. bushes with buds, \$12.50 each.

TRIPETALA

This is the tree that always causes a good deal of comment by visitors to our nursery. Tropical-looking Magnolia with very large leaves and huge white flowers. The leaves are the main focal point on this tree and you can realize what they resemble when we call it the "Banana-Leaf" Magnolia. Ask to see the large specimen we have planted in the Lincoln Heights Shopping Center just south of our Garden Store. Well-developed trees. 8-10 ft., \$20.00 each.

Japanese Imported BONSAI TREES

Exquisitely formed . . . A delight to see . . . Meticulous workmanship . . . A product of the Artisans of Japan. Planted in their original ceramic or clay pot, these Bonsai Trees are 5-10 yrs. old and 6 to 16 ins. in height. The training work has already been done for you. We offer the following varieties:

HEMLOCK

YEW

CYPRESS

JAPANESE CEDAR

PINE (Pine not available until June 1st)

FL. QUINCE

TEA TREE

WILLOW

FIRETHORN

PRICE ON ALL BONSAI PLANTS INCLUDING PLANTER, \$17.50 EACH

TREES LIKE THESE

Make Your House a Home!

**For Cool,
Cool Shade**

**on Hot
August Days**

ASH. Green. Very good green foliage. It thrives over a wide area and is ideal for dry climates. 6-8 ft., \$5.95 each; 10-12 ft., \$12.50 each.

Blue Improved Hybrid. This is our best fast, growing shade tree. Very compact growing of perfect shape. Withstands any conditions. Does not have blooms or seed pods to litter streets. 8-10 ft., \$8.50 each; 10-12 ft., \$12.50 each.

MORaine. NEW. The distinctive symmetry of the hardy Moraine Ash makes it an ideal tree for interesting planting around the home. All-season beauty, rapid growth graceful foliage, exceptional durability. Supply limited. 7-8 ft. lightly branched, \$9.00 each.

(Note: See Mountain Ash listed below.)

BIRCH. Cut Leaf Weeping. White bark. A pyramidal type of moderately rapid growth. Branches become more pendulous as the tree grows older. Very graceful. 5-6 ft., \$4.95 each; 8-9 ft., \$7.95 each; 10-12 ft., \$10.95 each.

Canoe. Sometimes called Paper Birch. Very handsome and fast growing. Large glossy foliage and white peeling bark. 6-8 ft., \$7.95 each.

Purple Splendor. New. A new improved form of the Purple Leaf European White Birch. Branches have a weeping habit. Purple foliage shows up well against the distinct white bark. 7-8 ft., \$10.00 each.

Pyramidal. Columnar form of the European White Birch. Much superior to the Lombardy Poplar where a fastigiate tree is needed. 6-8 ft., \$12.50 each.

CATALPA. Western. A rapid growing tree with very large leaves, a nice clean bark and large white flower heads followed by long bean-shaped seed pods. 8-10 ft., \$7.95 each.

ELM. Chinese or Siberian. A very rapid growing tree with a dense head. Extremely hardy and disease resistant. 7-8 ft., \$3.50 each.

Coolshade. Extremely hardy and fast growing yet forms a straight trunk with uniform branching. Superior to the old American Elm. Pat. 1747. 6-8 ft., \$9.00 each.

HORSECHESTNUT. White Flowering. Stately dense tree with large palmately compound leaves. Handsome white flower spikes in May. 6-8 ft., \$10.00 each.

Carnea Brioti. Same as white Horsechestnut only flowers of pinkish-red. Very rare and desired. 4-5 ft., \$12.50 each.

LINDEN. American. Very large attractive leaves on a strong growing tree. Excellent for shade. 7-8 ft., \$7.35 each.

Pyramidal. A type of American Linden with a distinct pyramidal type of growth. Used extensively along the parking strips in Spokane's finer residential districts. 7-8 ft., \$8.95 each.

European. Cordata or Little-leaf. Small neat glossy foliage, pyramid shape. 7-8 ft., \$7.95 each.

MOUNTAIN ASH. A fast growing shade tree with orange clusters of berries from August till late winter. Everybody knows this popular tree. 5-6 ft., \$4.95 each; 8-10 ft., \$7.95 each.

MAPLE. Crimson King. An improved form of Schwedler that holds its red color throughout the summer. An excellent new novelty. 7-8 ft., \$8.95 each; 10-12 ft., \$15.00 each.

Schwedler. Similar to the Norway Maple, except the new foliage in the spring is bright purple. Very attractive in the fall with its bronze and orange colored foliage. 7-8 ft., \$7.95 each; 10-12 ft., \$12.50 each.

Summershade. Pat. No. 1748. New rapid growing, self branching form of Norway Maple with large dark green leaves, especially adapted to Inland Empire conditions. 7-8 ft. whips, \$3.95 each; 8-10 ft. branched, \$8.95 each.

Pyramidal Norway. Columnar form of the Norway Maple. 9-10 ft., \$12.50 each.

Pyramidal Sugar. Columnar form of the Sugar Maple. 6-8 ft., \$7.95 each.

Silver. Fastest growing maple. Leaves are silver underneath; hence the name. 6-8 ft., \$3.95 each; 10-12 ft., \$8.95 each.

Sugar. Hardy, tall, dense, stately tree. Always erect and neat in appearance. Slow growing. 8-10 ft., \$8.95 each.

Cutleaf Sugar. A form of Sugar Maple with deeply cut foliage. 6-8 ft., \$8.50 each.

Spaethi. Lustrous dark green foliage, purplish red underneath. Excellent small growing shade tree. 8-10 ft., \$8.95 each.

OAK. Pin. Handsome trees of almost perfect symmetrical shape. Glossy, deep green foliage changes to orange-scarlet in the fall. 9-10 ft., \$12.50 each.

Red. The fastest growing Oak we have. Very clean and stately. Dense foliage an attractive red in the fall. 9-10 ft., \$12.50 each.

Scarlet. Gradually spreading branches form round-topped open head. Grows well in dry situations. Most brilliant scarlet fall coloring of all oaks. 9-10 ft., \$12.50 each.

Willow. A graceful tree with a conical head. Leaves lanceolate, very narrow and resembling the willow leaf. Leaf bright green turning to yellow in autumn. A remarkable and beautiful tree. 6-7 ft., \$8.95 each.

POPLAR. We have both the Bolleana and Lombardy varieties. Both are rather slender growing and have silvery foliage. We prefer the Bolleana of the two. 6-8 ft., \$3.95 each; 10-12 ft., \$7.95 each.

WALNUT. BLACK. Rounded, upright tree with coarse, open foliage. Large rounded nuts in a heavy shell. (See our listing of Carpathian Walnut in the fruit section of this catalog). 8-10 ft., \$12.50 each.

WILLOW. Wisconsin. Spreading limbs and weeping branches. Very hardy. Dark green leaves. 7-8 ft., \$5.95 each.

Golden. Medium spreading growth. Golden yellow bark. 7-8 ft., \$5.95 each.

ZELKOVA. Medium size shade tree with ascending branches similar in appearance to the American Elm and Collshade Elm. This tree should be planted more widely. 6-8 ft., \$8.95 each.

Scanlon's "Tailored Trees"

The "Tailored Tree" trade mark has in a comparatively few years come to mean something new, good, practical and different in the field of tree use and appreciation. We are proud that we have been authorized to distribute this world known group of trees. The following is a very comprehensive list of the Scanlon "Tailored Trees":

ALMIRA MAPLE. A dwarf informal globe selection that will go to about 16 ft. in 15 years. Excellent for use under low wires. 6-8 ft., \$15.00 each.

ARMSTRONG RED MAPLE. A strong fastigiate form with narrow habit similar to Lombardy poplar. Eventual height, 35 ft. 8-10 ft., \$17.50 each.

SCANLON RED MAPLE. Pyramidal in habit with dark green foliage. Ideally suited for a wide number of street problems. Excellent. Grows to 35 ft.—20 ft. spread. Pat. 1722. 6-8 ft., \$15.00 each.

OLMSTEAD COLUMNAR MAPLE. Much preferred to the regular columnar Norway Maple. Somewhat wider and more handsome in its juvenile stage. 6-8 ft., \$15.00 each.

PYRAMIDAL SYCAMORE MAPLE. This tree has nice rich foliage—strong up-sweeping branches with strong crotches. Very good for a parking tree. Grows to 30 ft. 6-8 ft., \$15.00 each.

WINELEAF SYCAMORE MAPLE. The deep rich green foliage of this nice round-headed tree is enhanced by the startling burgundy colored under part of leaf. Grows to 25 ft. 6-8 ft., \$15.00 each.

LEOPOLD SYCAMORE MAPLE. A variegated leaved tree with pink, green and white shading. Very effective and different. 6-8 ft., \$15.00 each.

HUPEH EVODIA. Foliage has a lustrous leather texture. White flowers resembling Elderberry bloom in mid-August. Seed cases are a pleasing wine color with black seeds but so small they fall unnoticed. 6-8 ft., \$15.00 each.

SARGENT'S CHERRY. Finest of all the flowering cherries. Covered in the spring with deep, single pink flowers. Foliage bronzy in spring; green in summer and brilliant red in fall. We recommend this tree very highly for any yard. 5-6 ft., \$12.50 each.

SARGENT'S COLUMNAR CHERRY. This pyramidal form of the world renowned Sargent's Cherry has ascending branches and strong crotches. Rose pink flowers and spectacular red fall color. Grows to 20 ft. high and 12 ft. spread. PAF. 5-6 ft., whips only, \$12.50 each.

RED BARK. The foliage and flower of this tree are nothing outstanding but the bright shining red bark is magnificent. In the winter against the snow it is unreal. Plant with a clump of White Birch for an unbelievable picture. If you want the unusual, this is it. 5-6 ft. whips only, \$15.00 each.

TOBA HAWTHORN. Beautiful large glossy leaves, but the flower is unusual—it comes out white and turns pink. Very little if any fruit. Grows to 20 ft. We have nice developed trees 8-10 ft., \$17.50 each.

FLOWERING ASH. Handsome small tree to 25 ft. Widely planted in Europe. The heavy panicles of greenish white flowers are exotically spicy and fragrant. This leathery leaved small tree will become a great favorite, if for no other reason than the fragrance that will permeate the whole neighborhood. 5-6 ft., \$15.00 each.

WILSON COLUMNAR ASH. This Mountainash possesses the tightness and beauty of form to make it one of our finest trees for the parking. The true pyramid habit makes it sensational. 6-8 ft., \$17.50 each.

CRIMEAN LINDEN. Glossy small foliage of bright green coupled with a strong broadly pyramidal form makes this the equal of any tree designed for planting in the parking, or where a narrow tree is desirable. Slow growing to 35 ft. 6-8 ft., \$15.00 each.

ORNAMENTAL LAWN and STREET TREES

STRAIGHT STEMS • WELL BRANCHED • HEAVY-ROOTED • BIG VALUES

ARALIA. *Elata*. Often called Oriental Angelica Tree. Unusual tropical appearing small tree to 15 ft. Compound leaves often over 2 ft. long. Spikes of conspicuous white flowers during summer followed by showy clusters of berries. 2-3 ft., \$4.95 each.

BALDCYPRESS. *Taxodium*. Rapid growing, narrow, pyramidal tree with nice soft green feathery foliage that looks evergreen. Likes swampy ground. 3-4 ft. whips, \$2.95 each.

BLACKGUM. *Nyssa*. Slow growing tree with long narrow glossy foliage. Brilliant scarlet in autumn. Does well in wet places. 3-4 ft. whips, \$2.95 each.

CORKTREE. *Phellodendron*. Rapid growing rugged tree with glossy foliage. Tropical appearing and very hardy. Corky bark. White flowers in June followed by black berries. 3-4 ft. whips, \$2.95 each; 5-6 ft., \$12.50 each.

BOXELDER. *Variegated*. Green and white variegated leaves. Outstanding as an ornamental tree. 5-6 ft., \$7.95 each.

DOVE TREE. *Davidia*. The rarest tree and most expensive we have in our nursery. The flowers are like hanging white bracts and coming in May. The motion of the blooms appear like doves in flight. Very rare. 5-6 ft., \$25.00 each.

GINKGO. *Maidenhair Tree*. Thick branched, picturesque tree with bright green, fan-shaped leaves which turn brilliant yellow in autumn. 4-5 ft. whips, \$4.95 each; 5-6 ft., \$8.95 each.

GOLDEN CHAIN. *Vossii*. Beautiful small tree with bark of pea-green. Very graceful fragrant long chains of golden yellow flowers. 6-8 ft., \$8.95 each.

ADAMI. *Laburnocytisus*. The "Purple Goldenchain". A cross between the Goldenchain and the Broom produces coppery-pink flowers. Flowers occasionally revert to either. Very rare. 6-7 ft., \$17.50 each.

HALESIA *Tetraptera*. Often called "Snowdrop Tree". In the spring the branches are covered with clusters of white, bell-shaped. Rare and lovely pyramidal shaped tree. 6-7 ft., \$17.50 each.

HORNBEAM. *Pyramidal*. Dense, dark green foliage on a narrow, very formal tree. Bark is sinewed and gray. Richly tinted fall colors. Very rare and ideal for "just that spot". 5-6 ft., \$17.50 each.

LIQUIDAMBER. *Sweet Gum*. Broadly pyramidal specimen tree. Leaves are star-shaped, branches are corkyridge. Glossy foliage in summer and beautiful autumn coloring. 4-5 ft., \$8.95 each; 8-10 ft., \$17.50 each.

LOCUST. *Frisia*. New, bright golden-yellow leaves, young shoots orange. Bright red thorns. Rare. 4-5 ft., \$10.00 each.

Tortuosa. The corkscrew Locust. Straight stem tree with curiously twisted branches. When dormant the branches stand out clearly against the sky giving the unusual. 4-5 ft., \$15.00 each.

PARROTIA. *Persica*. Small, highly ornamental tree with rich fall coloring. Rare and highly desirable. 5-6 ft., \$7.50 each.

RED BUD. Very attractive, rosy-pink almost red flowers in the spring. 5-6 ft., \$6.00 each.

RUSSIAN OLIVE. Well known irregular growing small ornamental tree with silvery-gray foliage. Green olive-shaped berries on older trees. 5-6 ft., \$5.95 each.

SOURWOOD. *Oxydendron*. From June through August this amazing Cinderella Tree or sometimes called Lilly-of-the-Valley Tree is covered with fragrant white flowers like perfect Lillies-of-the-Valley. Foliage turns a spectacular scarlet in the fall. 4-5 ft., \$12.50 each.

SOPHORA. *Japonica*. *Pagoda Tree*. Dark green bark, yellowish-white flowers in summer. 6-8 ft., \$15.00 each.

SUMAC. *Staghorn*. Greenish flowers in dense terminal panicles, clusters of crimson berries. Distinctive foliage and bark on juvenile growth is somewhat fuzzy like the deer horn. 7-8 ft., \$7.50 each.

TULIPTREE. Fast growing, tall, sturdy shade tree. Big creamy white blooms in late spring on mature trees. Often confused with the Magnolia but not as desirable as the Magnolia. 6-8 ft., \$6.95 each.

YELLOWWOOD. *Cladrastis*. A rare and interesting hardy tree with large compound leaves and beautiful white flowers in June. 5-6 ft., \$7.95 each.

WHITE FRINGE. *Chionanthus*. Abundant tassel-like flowers in May and June. Blue-black fruits in the fall. Rare and much desired. 5-6 ft., \$17.50 each.

THESE THREE HONEYLOCUSTS ARE THE BEST SHADE TREES IN OUR NURSERY.

MORaine HONEYLOCUST. All the fine qualities you are looking for in a shade tree. Small foliage gives the filtered shade that will let grass grow. 5-6 ft., \$9.00 each; 8-10 ft., \$15.00 each.

SUNBURST HONEYLOCUST. The first new color in a hardy, ornamental shade tree since Crimson King Maple. Bright golden foliage on 8 to 10 inches of branch tips, contrasts with the rich green of the balance of the tree; appears to be in bloom all summer. 5-6 ft., \$10.00 each; 7-8 ft., \$14.00 each; 10-12 ft., \$20.00 each.

SHADEMASTER. The tree of today for streets, lawns and parks. 1. Straight, strong trunk. 2. Ascending branches. 3. Heavy, dark green foliage. 4. Requires no staking. 5. Rapid growth. 6. Freedom from diseases and insect pests. 7. Drought resistance. 8. Holds foliage late in the fall. 9. Deep roots. 10. Does not heave sidewalks. 11. Grass will grow right up to the trunk. 12. No leaf raking in the fall. These are 12 reasons why this is the finest tree listed on this page. Drop into the nursery and we will show you a colored photograph that we took of this tree this past summer. 7-8 ft. lightly branched, \$10.00 each; 8-10 ft. branched, \$17.50 each.

EUROPEAN BEECH

OFTEN CALLED THE "NOBLEST" OF ALL TREES

TREES IN CLUMP FORM

AMELANCHIER. *Shadblow*. Excellent early blooming small tree. Showy white flowers appearing before foliage. Edible small red fruit. Very popular and widely planted in Spokane Parks. 4-5 ft., \$4.95 each.

CLUMP EUROPEAN WHITE. Three to five stems on each tree that has a white bark as it matures in age. This is the clump form of the European White Birch which is not weeping. Very popular and suggested by us for use with the modern

GINNALA. *Amur*. Large shrub or small tree. Yellowish fragrant flowers in spring. Leaves and seed pods outstanding color in the fall. 4-5 ft., \$6.00 each; 6-8 ft., \$12.50 each; 8-10 ft., \$17.50 each.

HAWTHORNE. *Paul's Scarlet*. Same as the popular Paul's Scarlet Hawthorne, only in clump form. 5-6 ft., \$12.50 each.

KATSURA TREE. *Cercidiphyllum*. Deluxe tall shrub or small tree. Leaves resemble Redbud. Held in high esteem by all Landscape Architects. 8-10 ft., \$17.50 each.

MT. ASH. Same as regular Mt. Ash except growing in clump form. 8-10 ft., \$12.50 each.

REDBUD. Same as regular Redbud except growing in clump form. 3-4 ft., \$5.00 each.

SPAETHANA. *COPPER BEECH*. One of the most famous trees of all time. Copper colored foliage that is a sight to behold. 4-5 ft., \$15.00 each.

GREEN. *WEEPING*. Green foliage on weeping branches makes a magnificent sight. Silvery gray bark adds interest in the winter. 4-5 ft., \$12.50 each.

ZLATIA. *GOLDEN BEECH*. A rare, bold, heavily-branched upright growing tree. Foliage lemon-yellow. Tips of branches suffused bright gold. Tremendously interesting. 4-5 ft., \$15.00 each.

GREEN. Green foliage, otherwise similar growing habits to River's Purple. Perhaps a little faster growing. 5-6 ft., \$10.00 each.

RIVER'S PURPLE. Deep black-bronze foliage is unsurpassed. Makes and outstanding noble specimen tree. Slow growing like all Beeches. 4-5 ft., \$10.00 each.

TRICOLOR. This our favorite beech and everybody else's too because we sell out every year. Copper foliage that is edged and tipped in pink and white. When you visit our nursery ask any sales clerk to show you this beautiful tree. You'll love it. Gal. Cans. \$5.00 each; 4-5 ft., \$17.50 each; 5-6 ft., \$25.00 each.

ON FLOWERING AND SHADE
TREES

(Pages 16, 17, 18 and 19)

Because of the smaller size trees that are generally planted by most people starting their landscaping, we urge the planting of shade and flowering trees first. Select any three or more trees from pages 16, 17, 18 or 19, write them on the order blank and then deduct 10% from the total price. We ship them prepaid to your door and guarantee them to grow.

CONIFEROUS

EVERGREENS

Year round Beauty and Texture

ARBORVITAE

THUJA-ARBOR VITAE. American. Used primarily for hedges. Rather broad growing and rapid — good growing conditions will bring a growth of 2 ft. per year. Plant 3 ft. apart for hedge purposes. Dark green in color. Just about as cheap as flowering shrubs and it stays green all winter. Nice bushy plants. 3 ft. high, \$3.50 each, 10 for \$30.00.

Woodwardi. (Globe Cedar). Develops into a perfect globe-shaped plant, the spread equaling the height. Light green foliage. Used largely under windows in foundation plantings and in formal work where symmetry is desired. 15-18 in., \$3.50 each; 18-24 in., \$4.95 each.

Umbraculifera. A dwarf type of globe. Grows rather flat and round. Ideal for the very low picture window or planter box. 12-15 in., \$4.50 each; 18-24 in., \$7.50 each.

Golden. (Berckman's). A beautiful, dwarf, compact variety of golden color. Does best in full sun. Used for urns, small gardens, cemetery lots or brightening up foundation plantings at the base of your steps. 10-12 in., \$2.50 each; 15-18 in., \$4.50 each; 18-24 in., \$5.95 each.

Pyramidalis. Dark green foliage. Columnar, formal habit, dense and compact. For corners, in front of pillars, center or background of group plantings, no other evergreen is quite so popular. 18-24 in., \$2.95 each; 24-30 in., \$3.95 each; 3-4 ft., \$4.95 each; 4-5 ft., \$6.50 each; 7-8 ft., \$17.50 each.

SIBERIAN. Commonly called Ware's Arborvitae. This is one of the most rugged of all evergreens, a variety that produces strong, heavy, thicker set side branches that give an almost solid, very dense appearance. Upward growth is slower than other arborvitae and forms a true pyramid shape. 2-3 ft., \$3.95 each; 3-4 ft., \$6.00 each.

HEMLOCK

CANADIAN. Without a doubt, the Canadian Hemlock is the most graceful of all evergreens. Slender, arching branches and fine texture contribute to this graceful quality. Does well in the sun and excellent in the shade. Very good for a specimen or hedge because it responds so well to shearing. 15-18 in., \$2.10 each; 5-6 ft., \$12.50 each.

FALSE CYPRESS

CYPRESS-CHAMAECYPARIS. A l u m i. (Blue Cypress). Upright, symmetrical growth. Foliage is very compact and rich blue-green in color. To see it is to want it. 24-30 in., \$3.45 each; 3-4 ft., \$7.00 each.

Fillifera. A very graceful growing evergreen. Unusual foliage, drooping and graceful, resembling cords of grey-green. 18-24 in., \$7.50 each.

Fillifera Aurea. Similar to above only dwarfier growing with drooping cords of gold. 12-15 in., \$4.50 each.

HINOKI. Dwarf, irregular growing. Deep green foliage borne on dense overlapping fronds. Excellent for a Bonsai or individual specimen. 15-18 in., \$5.00 each.

PINES

PINE-PINUS. Dwarf Mugho. An excellent dwarf pine, globe shaped and erect branching. Especially attractive in the growing season when the new growth, which looks like miniature candles, completely covers the bush. 9-12 in., \$3.25 each; 15-18 in., \$6.50 each; 18-24 in., \$9.00 each.

AUSTRIAN. NIGRA. Rich dark green pine; vigorous grower. Used for background plantings or intermixing with large shade trees. 15-18 in., \$4.50 each; 4-5 ft., \$12.50 each.

SCOTCH. SYLVESTRIS. Most unusual pine. Needles are bluish-green and bark is reddish-brown. The short needles are often twisted. Not quite as large a grower as the Austrian Pine. 24-30 in., \$5.00 each; 4-5 ft., \$12.50 each.

UMBRELLA. SCIADOPITYS. Needles grow in whorls, giving an umbrella effect to each individual branch. Small plants, 8-10 in. only, \$7.50 each.

TABLE. TANIOSHI. Fairly long needles on this pine and with a little trimming can be made to look like a table. Rare and much desired for Japanese gardens and individual specimens. 18-24 in., \$25.00 each.

ARISTATA. BRISTLECONE. The incredible pine which is known as the oldest living thing. Excellent Bonsai subject. Dark green color often speckled like frost from the resin exudations. 8-10 in., \$5.00 each; 12-15 in., \$8.00 each; 3-4 ft., \$30.00 each.

(When you visit our nursery, have us show you our complete selection of other pines not listed here—White Pine, Cembra Pine, Weeping Pine, Crooked Pines, etc.)

JUNIPERS, low growing forms.

JUNIPER-JUNIPERUS. Pfitzer. One of the best types of spreading evergreens. The branches spread horizontally, with the terminals slightly drooping. It lies close to the ground, and for edging larger plantings has no superior, supplying the flowing lines needed in good landscape plantings. Foliage grey-green. 15-18 in., \$3.95 each; 18-24 in., \$5.95 each.

Golden Pfitzer. Growth and habit like the green variety, however the color has a decided golden cast, especially in the late spring when the new growth appears. 12-15 in., \$3.25 each; 18-24 in., \$6.00 each.

Meyer. Foliage is a striking blend of grey and silver-blue turning to a rich violet in the late fall and winter. Irregular growth that is not stiff. Used in foundation plantings and large rock gardens. 15-18 in., \$4.75 each; 24-30 in., \$7.50 each.

Hetzi. (Blue Pfitzer). Same growing habit as the green and golden Pfitzer. Color is a light cast of blue. Excellent. 15-18 in., \$3.95 each; 18-24 in., \$5.50 each; 24-30 in., \$7.00 each.

Tamariscifolia. (Tamarix Juniper). Blue-green foliage, compact, procumbent. Much lower growing than the Pfitzer types. Used extensively for rockeries, banks and as a border to your foundation planting. 15-18 in., \$3.95 each; 18-24 in., \$5.50 each; 30-36 in., \$7.50 each.

Sabina. A semi-upright spreading variety growing to a height of 3 ft. Color dark green. 18-24 in., \$4.95 each.

Andorra. Very low growing habit. Bluish color throughout the summer turning to purple tones with the first frost. 15-18 in., \$3.95 each; 18-24 in., \$5.50 each.

White's Silver King. New patented evergreen. Very low growing, silver-blue in color turning slightly purple in the fall. Growth habit about the same as the Tamarix Juniper. 15-18 in., \$4.95 each.

JUNIPERS, tall growing forms.

CHANDLER'S SILVER. Bluish silver foliage. Broad compact pyramidal form. The most popular upright juniper. 18-24 in., \$5.00 each; 30-36 in., \$9.00 each; 5-6 ft., \$17.50 each.

KETELEERI. Dark green foliage. Compact upright form. 30-36 in., \$9.00 each.

GRAY GLEAM. Steel gray foliage. Compact cone shape. Pat. #48. 30-36 in., \$10.00 each.

LAKEWOOD. Green foliage. Compact pyramidal form. 30-36 in., \$10.00 each.

SUTHERLAND. Gray-green foliage. Naturally compact, conical shape. Broad base. 30-36 in., \$10.00 each.

HILLBORN GLOBE. A new outstanding globe shape Scopulorum. Silvery blue foliage. 15-18 in., \$8.00 each.

PARKI. Silvery blue color. One of the few spreading forms of Scopulorum junipers. 24-30 in., \$8.50 each.

WEeping JUNIPER. The true weeping Scopulorum Juniper. Weeping foliage of Silvery-blue. 4-5 ft. specimens, \$15.00 each.

TORULOSA. Often called Hollywood or "Twisted" Juniper because of the twisted and irregular growing habit of the green branches. 3-4 ft., \$10.00 each.

(We have quite a few other types of spreading and upright junipers. Let us show them to you when you visit our nursery.)

YEW FOR A LIFE-TIME OF BEAUTY

The disease proof evergreen. No family of evergreens has gained such popularity in recent years as the Yew. Dark rich color, hardiness, variety of form, transplanting easiness, adaptability, disease-free, has merited this position. Does well in both sun and shade. Voted as the outstanding evergreen by the American Association of Nurseryman, this is the coming evergreen.

ENGLISH. Dark fine green foliage. Upright grower, rather broad, one of the fastest growing yews. 3-4 ft., \$10.00 each.

HICK'S. Upright grower with coarse needles. Red berries in the late fall. Our favorite and best of all yews. 15-18 in., \$2.95 each; 2-3 ft., \$5.00 each; 3-4 ft., \$12.50 each.

SPREADING. Low growing and spreading in nature. Slower grower than the junipers. 12-15 in., \$5.00; 15-18 in., \$6.50 each; 18-24 in., \$8.00 each.

(While we are only listing 3 yews, we have 4 or 5 other varieties. Come out and we shall be glad to discuss the merits of each variety and how it might fit into your landscape picture.)

— NOTE —

Larger size evergreens are available at our nursery. Also other varieties not listed on these two pages. Buy your evergreens from a reputable dealer and where they are guaranteed to grow.

BEAUTIFUL EVERGREEN SHRUBS

WILL BRIGHTEN YOUR WINTER GARDEN

Broad-leaved evergreen shrubs provide some very choice plant material with the advantage of beautiful, decorative foliage all the year round, plus colorful blooms and berries in season. By choosing varieties carefully, it is possible to have some plant at an interesting stage at all seasons.

The problem of how to plant shady spots around the home garden is often most easily solved through the use of broadleaved evergreens.

In order to produce an abundance of flowers, the great majority of shrubs like plenty of light. Thus, when you choose them for a shady location, try to have the shade source rather high and distant, rather than down too close.

Another major difficulty with getting topnotch flowering in too-dense shade is due to the fact that the soil becomes so hard, infertile and dry, as beneath trees. Always be sure to get the soil in good physical condition, to fertilize regularly and to use ample water when the shade you are using is supplied by trees.

AZALEA

AZALEA MOLLIS (The hardy Azalea). Very colorful, large flowers of bright orange to flame. Prefers an acid soil and some shade, however you can use them in ordinary soil and full sun with the same results. 6-8 in., \$1.00 each; 15-18 in., \$2.50 each; 18-24 in., \$5.00 each.

(When visiting our nursery, ask us to show you the new hardy evergreen azaleas.)

BARBERRY

BARBERRY. Verruculosa. Hardy, low growing variety that will add interest to your plantings. Very glossy green leaf that really colors up in the fall to shades of orange and red. Very prickly foliage. Grows to a height of 3 ft. Visit our nursery and let us show you several other evergreen barberry. They are all priced at \$3.50 each.

Juliana. Wintergreen. Medium growth with broad spined leaves. Reddish foliage in the fall. Yellow flowers in the spring are most attractive. Most popular of all evergreen barberries. 15-18 in., \$4.00 each.

(For other deciduous barberries, see pages 12 and 15.)

BAYBERRY

Myrica. Pennsylvanica. Northern Bayberry. Does well in poor, gravelly soil. Decorative gray berries and glossy green foliage. 15-18 in., \$4.00 each.

BAMBOO

Phyllostachys. Green Stem. We have been experimenting with Bamboo for years and find that this variety is best for our area. Hardy to zero but should be protected for temperatures lower than that. Will never freeze out but sometimes freezes to the ground. Gallon size. \$2.95 each; 4-5 ft., \$10.00 each; 7-8 ft., \$22.50 each.

BROOMS

Battandierei. Tall broom. Leaves are gray with a silky sheen. Bright yellow flowers in July, pine-apple scented. Rare. 2-3 ft., \$6.00 each.

Lydia. Creeping broom with bright golden yellow flowers. Gallon cans. \$3.00 each.

Hollandia. Purplish-red with pink shades. Bushy upright habit. 15-18 in., \$4.00 each.

Zeelandia. Lilac pink with reddish wings. 15-18 in., \$4.00 each.

Purgens. Dwarf globe shape growth. Pure yellow. 15-18 in. specimens, \$6.00 each.

Moonlight. Upright growing. Creamy yellow, very choice. 2-3 ft., \$6.00 each.

Euonymus Radicans Vegetus

The Plant of a Hundred Uses!

The Most Useful of All Evergreens

The most versatile plant we have in our nursery. Grows as vine, groundcover or shrub depending how you want to train it. Happy in either sun or shade. Rich or poor soil, it knows no barriers. Every yard has a spot for this ideal plant. Glossy green foliage that is evergreen. Sometimes call "Evergreen Bittersweet" because of the berries produced in the fall. If you have trouble spot, try this plant. 6-10 in. 90c each; 15-18 in. \$1.75 each.

EMERALD EUONYMUS SHRUBS

Four distinctive new Euonymus that have been developed to satisfy every garden need.

Emerald Pride. Ovoid form.

Emerald Charm. Upright narrow.

Emerald Cushion. Dwarf short.

Emerald Leader. Bushy erect.

PRICE ALL EMERALD EUONYMUS, 15-18 in. \$4.50 each.

BOXWOODS

BOXWOOD. Sempervirens. Fast growing boxwood. Bright glossy leaves. Used for hedges and as individuals. 9-12 in., \$1.50 each; 15-18 in., \$2.50 each.

Truedwarf. Same foliage as above. Slow growing and used primarily for dwarf hedges. 6-8 in., 95c each.

Wintergreen. New variety of fast growing boxwood that stands severe winters very well. 12-15 in., \$2.50 each.

DAPHNE

DAPHNE. Cneorum (Rock Daphne). Low spreading growth with very fragrant pink flowers in spring. 9-12 in., \$2.75 each; 12-15 in., \$4.00 each.

Somerseset. Similar to Cneorum but more erect upright growth. Bears deliciously fragrant flowers, pink opening white and becoming rose-pink before they drop. Spring blooming. 12-15 in., \$2.75 each.

Mezereum (Lilac Daphne). Interesting, lilac-purple flowers along the graceful, slender branches in early spring, followed by green foliage with red berries. 9-12 in., \$2.25 each; 15-18 in., \$5.00 each.

Mezereum. White. The rare white form of the Lilac or February Daphne. Snow white blooms with yellow berries. For good effect plant this variety with the one listed above. 15-18 in., \$5.00 each.

Retusa. Dwarf growing, blooms all summer. Foliage and bloom are somewhat similar to Cneorum. 6-8 in., \$5.00 each.

SPECIAL OFFER No. 22.

10 Evergreens only \$ 24.95

(Landscape size)

Regular value, \$33.70

2 Pyramidal A.V., 2-3 ft., for corners.

2 Oregon Grape, 12-15 in., underneath windows.

2 Golden A.V., 10-12 in., beside steps.

4 Pfitzer Juniper, 15-18 in. for in between and to the front.

If this planting group does not fit your needs, come out to our nursery and we will be glad to help you select other varieties for the same price.

Here's a Complete Evergreen
Planting for You

SELECT YOUR OWN EVERGREENS, TREES, SHRUBS, and ROSE BUSHES

It is impossible to list all the plants we grow. The larger trees, specimen evergreens and shrubs that require transplanting with a large ball of earth, are mainly for local sales; it is obvious why it is not practical or economical to transport them any distance by rail.

Our "Balled and Burlapped" Evergreens . . . large broadleaf Evergreen and Deciduous Shrubs . . . Rhododendrons and Azaleas . . . large Fruit Trees . . . Vines . . . Perennials . . . are usually ready for "Cash and Carry" sales at proper planting seasons. Well-informed salesmen are ready to assist you to make your garden a part of your home life. Our business is not only to produce good plants but to advise you how to use them. For the benefit of those who cannot visit us week-days, we are open Sunday 9:00 to 6:00, during the planting seasons.

COTONEASTER

COTONEASTER. Horizontalis. Low, spreading evergreen. Tiny round green leaves that turn red in the fall. Red berries. 15-18 in., \$3.50 each.

Apiculata. (Cranberry cotoneaster). Far superior to the other low spreading growers. The berries, size of cranberries, are gorgeous, brilliant glossy red and plenty of them. Our grafted plants will produce berries the first year planted. 12-15 in., \$3.50 each.

Weeping. One of our finest specimen plants. Excellent green foliage with hundreds of red berries in the fall. Lends itself very well for espalier work. If you visit our nursery, ask to see the two specimens that we have on one of our building walls. Plants that are now 3 to 4 ft. tall are \$6.00 each.

Francheti. Graceful pendulous branches produce greyish leaves that will make a delightful to your plantings. Orange berries in the fall. 3-4 ft., \$6.00 each.

Parneyi. Very graceful growing with dark reddish-green leaves. Outstanding in the summer. Bright red berries in the fall. Upright growing. 2-3 ft., \$6.00 each.

Humifusa. Dammeri. Very prostrate form of cotoneaster used primarily for ground cover and sometimes specimen plants. Gray green foliage, red berries. 4 in. pots. 75c each, 10 for \$6.50. 15-18 in., \$2.75 each.

FIRETHORN

PYRACANTHA (Firethorn). With all evergreens plantings on the newer type homes now including some broad-leaved evergreens, firethorns have become very widely used. Orange berries produced on very young plants together with the glossy green foliage, make it very interesting for winter effect. 18-24 in., \$3.25 each; 2-3 ft., \$4.50 each; 3-4 ft., \$6.00 each.

Lalandi. Red. New hardy red berry Firethorn. Same growth habit as above, but berries are red instead of orange. 2-3 ft., \$5.00 each.

Thornless. Orange berries and plant similar to the two above varieties, only stems are devoid of thorns. Ideal for that traffic spot where thorns would bother traffic. 18-24 in., \$4.00 each.

Beautify & Improve Your Home Grounds

HOLLY

English. Green stem. If you plant two, you might get a few berries but we cannot guarantee it. Berries or not, our hardy varieties are beautiful with just the holly foliage. 30-36 in., \$15.00 each.

Convexa. Dwarf, compact grower. Most effective dark, glossy green, convex foliage; blue berries. One of the best dwarf growing broadleaves for foundation plantings. 15-18 in., \$6.00 each; 2-3 ft., \$10.00 each.

Helleri. Dwarf growing. Small leaves, blue-black berries. Very charming as a small specimen plant or used in dwarf hedges. 6-8 in., \$2.50 each.

Yaupon. Upright growth with holly-type foliage. Tiny, tiny scarlet berries. Gallon size. \$2.50 each.

Evergreens offered are those grown in large quantities. In addition, we have other varieties and sizes in limited supply. Ask for quotations.

HEATHER

HEATHER. Mediterranean Hybrids. Dwarf growing, very compact. We have three colors, red, pink and white. 6-9 in., 90c each; 12-15 in., \$2.00 each.

OREGON GRAPE

MAHONIA. (Oregon Hollygrape). Thick glossy leaves that resemble holly, but are much larger and far more attractive. Yellow blossoms in the spring followed by blue berries. 12-15 in. bushy, \$2.50 each; 18-24 in. bushy, \$5.00 each.

ALL PRICES IN THIS CATALOG INCLUDE Free Delivery TO YOUR DOOR

Landscaping ORNAMENTALS

LAUREL

English. Large, dark green glossy leaves similar to Magnolia foliage. Does best in shade and areas where winter wind will not burn foliage. 30-36 in., \$4.50 each.

Zabel. Narrower leaf than English and more spreading habit. 18-24 in., \$5.00 each.

English Dwarf. Grows about half as fast as other laurel. Ultimate height—1½ ft. Dark green glossy foliage. Very hardy and can be grown in sun or shade. 8-10 in., \$3.50 each.

Portugal. Compact grower. Narrow dark green glossy foliage. Very hardy. 18-24 in., \$6.00 each.

Mountain Laurel. Kalmia. Glossy leaf, pink flower. Should have partial shade and some protection in our area. 15-18 in., \$6.00 each.

SKIMMIA

Dwarf Skimmia. Small oblong glossy foliage with stems that are light yellow. Should have planting in protected areas and partial shade. Because cross-pollination is necessary to produce the brilliant red berries, we only sell them as pairs. 12-15 in. per pair, \$8.00.

RHODODENDRONS

RHODODENDRON. Our special collection of good, hardy varieties that will do well for you here in the Inland Empire. Colors are Red, Pink, Purple, Yellow and White. All will bloom for you the first year planted. 15-18 in., budded, \$6.00 each.

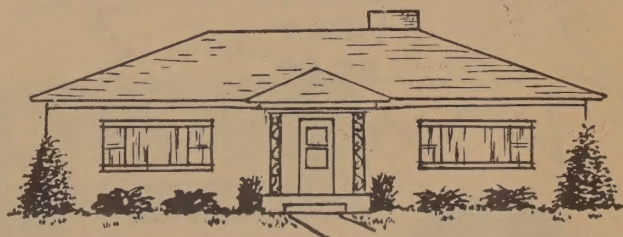

(All of our Rhododendrons are guaranteed to stand temperatures of 20 below zero.)

VIBURNUM

VIBURNUM. Burkwoodi. Excellent waxy green foliage. The glory of this shrub is the waxy fragrant flowers — one bloom will give fragrance to your entire home. Very choice. 18-24 in., \$4.75 each.

Carlesi. Somewhat similar to the above and preferred by many. Both varieties are very hardy. The leaves on Carlesi are greyer and larger but do not color up as well in the fall. 18-24 in., \$6.00 each.

Rhytidophyllum. Leatherleaf. Thick, leather-like, evergreen foliage. Creamy white flowers in spring followed by clusters of red berries. Best results are had in partial shade. This broadleaf evergreen merits more extensive use. 2-3 ft., \$6.00 each.

IF YOUR HOME FACES NORTH, USE EVERGREENS THAT DO WELL IN THE SHADE. THIS MEDIUM PRICED FOUNDATION PLANTING IS DESIGNED FOR THE SMALL HOME THAT HAS A SHADE PROBLEM.

2 BOXWOOD. Each side of door
4 SPREADING YEW. Under windows
2 HICK'S YEW. Use at corners

"Harvest Giant" Mums

... FOOTBALL MUMS FOR YOUR GARDEN!

* Patent
Pending

**To get the largest flowers, disbud plants as you would tea roses. If not disbudded, flowers will be more numerous but smaller.

Grow these 5" to 6" ** beauties, the newest and most spectacular garden mums ever developed, right in your own garden . . .

EARLY FALL FLOWERING—among the earliest of all garden mums. Many begin to bloom in mid-Sept. and continue on until killing frost.

FALL COLORS—deep golden yellow, bronze, pink, red and white. Lovely as single accents, breathtakingly beautiful in masses.

STURDY HABIT—rival greenhouse types for bouquets, corsages or dazzling arrangements. Plants vary in height from 18" to 30" depending on variety and culture.

The Time and Type of Mums We Ship

Young, healthy, growing plants in pots become established during winter and early spring for delivery in April, May and June. They grow many times their present size during the summer and are ideal for spring planting.

Giant Flowering Pacific Hybrid **DELPHINIUM**

Delphiniums have long been a specialty with us. The recent introduction of Pacific Hybrids has added rare new colors and variations never thought possible in Delphiniums. Stately flower stalks 3 to 5 ft. tall are profusely flower-laden—individual flowers are 2 to 3 in. across, many are double and semi-double. Plants are resistant to mildew and stems wiry and strong enough to resist high winds. Our plants will bloom twice during the season if they are cut back after the first bloom in June.

- BLACK KNIGHT.** Darkest royal violet.
- BLUE JAY.** Very intense blue with black bee.
- BLUE BIRD.** True blue.
- GALAHAD.** Clear white flower spikes of enormous size.
- KING ARTHUR.** Royal purple with white bee.
- SUMMER SKIES.** Clear light blue, white bee.

**PRICE ON ABOVE LISTED DELPHINIUMS
80c EACH**

(Because of the demand, we will not have our usual complete color range of Pacific Delphiniums until spring of 1963.)

VISIT US IN JULY AND AUGUST WHEN OUR PHLOX ARE IN BLOOM

**Spray Your Phlox
for Rust**

We have inquiries asking what to do for rust on the lower leaves of Phlox. Some advise a forced spray from underneath with Bordeaux. Others claim a heavy drenching with clear water is sufficient.

**Creeping Phlox STAYS GREEN
ALL WINTER**

An early spring-flowering type with pretty, moss-like, evergreen foliage, which, during the flowering season, in April and May, is hidden under masses of bloom. An excellent plant for the rockery, the border, and invaluable for carpeting the ground or covering bare spots.

Rare, Unusual and Novelty PERENNIALS

ARTEMISIA

ARTEMISIA. Silver Mound. Compact mound-like plant. Foliage fern-like and the brightest and silvery gray. Excellent for rockery and borders. 80c each.

Silver King. Bright silver-colored stems and foliage are of great value to brighten garden and floral arrangements. Can also be dried for winter use. 80c each.

ACHILLEA. Gold Plate. Large flat heads of golden-yellow. Use for floral arrangements. 80c each.

CAMPANULA. Bloomerata Acaulis Nina. New dwarf variety, blue bell shaped blossoms in June. 6 in. tall. A gem for the rockgarden. 80c each.

COLUMBINE. Crimson Star. All Columbine do well in partial shade as well as sun. Crimson Star is light red with a white corolla. 80c each.

Blue. Various shades of blue, mostly a soft blue with a white corolla. 80c each.

Yellow. Many shades of yellow from pure golden to sulphur. 80c each.

'Christmas Rose

(HELEBORUS NIGER) Blooms Through the Snow at Christmas

CHRISTMAS ROSE (Helleborus). This year we can again offer this most sought after plant. Very dwarf growing. Likes to be planted where it can get summer shade and winter sun. Evergreen. If you have the right location it will put forth large single bell-like flowers which last for weeks regardless of snow or cold. Blooms from late December till April. We offer only strong flowering plants.

CIMICIFUGA (Snakeroot). Racemosa. Handsome shade loving plant producing spikes of 6 ft. that are pure white. \$1.00 each.

CYCLAMEN. Hardy. Round olive green leaves, reddish pink blooms by the dozens. Flowers from August to frost. Plant in shady location. Grows 4 in. in height. \$1.25 each.

DICHTAMNUS (Gas Plant). Fragrant foliage with beautiful spikes of flowers. For best results, it should not be moved after being planted once. This plant will give your garden one of its better features. White or Rosy-pink. \$1.00 each.

DORONICUM. Mm. Mason. Large bright yellow flowers on 2 ft. stems that come the first thing in the spring. Good cutting. 80c each.

EUPHORBIA. Polychroma. A hemispherical clump covered with yellow flowers in May and June, changing to rosy bronze. 80c each.

EVENING PRIMROSE. Trailing plant with bright yellow blooms. 80c each.

Special SEEDLING PLANT Offer!

Rather than transplant our small plants and have to charge more for them another year, we are making this special seedling offer to our customers. In this way you receive a real bargain. We offer the following varieties:

Basket Of Gold	Sweet William
Alyssum	Fox Glove
Columbine	Geum
Aubretia	Coral Bells
Arabis	Lupines

Hardy Primrose	

(Minimum order—3 of one variety)
PRICE—3 for 50c; 7 for \$1.00.

LIATRIS

LIATRIS. Kobalt. Happy again that our stock has built up to a point where we can now offer again this rare perennial. Grows 1 ft. and has the most outstanding bluish purple spikes. Very hardy. Stop in during the summer and we will be glad to show it to you. \$1.00 each.

Spicata. Commonly called Blazing Star or Kansas Gayfeather. 6 to 12 in. blooms on 3 ft. spikes. Color is violet rose. Excellent cutting. 80c each.

HIBISCUS. Martin's Giants. Flowers 6 to 12 in. across and every color in the candy-stick range represented. 3 ft. stems. Habits are clean. \$1.25 each.

IBERIS (Candytuft). Snowflake. Compact growing plant with large white flowers covering the plant completely when in bloom. 9 in., \$1.00 each.

LAVENDULA (Sweet Lavender). Vera. True Sweet Lavender. 12-18 in. July. Dry and use in bureau drawers for their sweet fragrance. \$1.00 each.

PENSTEMON

PENSTEMON. Indian Jewels. Various shades of crimson, pink and purple. Beauty and vigor of the native penstemon combined with garden qualities makes this plant very hardy and highly recommended. \$1.00 each.

Prairie Fire. New introduction from Nebraska. Bright orange-red bells grace flower spikes 15-18 in. tall. Blooms all summer. Green leatherlike foliage. \$1.00 each.

RUDBECKIA. Subtomentosa. Commonly called Black-eyed Susan. Brilliant lemon-yellow flowers, with purple center cone, in late Summer. Good for cutting. 3-4 ft. 80c each.

Price on all Monarda, 80c each.

ORNAMENTAL GRASSES

EULALIA. Japonica. 6-7 ft. high. Broad, deep green leaves, which curve gracefully downward. The tall stems carry large feathery tufts or plumes.

Japonica Gracillima. 6-7 ft. high. Autumnal plumes, from narrow leaves with silver mid-rib.

Japonica Variegata. 5-6 ft. high. Gaudy leaves, striped with white and paler green, above which appear tall plumes in early fall.

Japonica Zebrina. 5-6 ft. high. Variegated form, with bands of yellow across the green leaves.

Price on all grasses: \$1.00 a clump each.

STATICE (Sea Lavender). Violetta. Immense heads of purplish blue about 2 ft. across. Not unlike Baby Breath. July and August. 80c each.

SHASTA DAISY. Esther Read. Most popular of all double Shasta Daisy. 80c each.

Border Queen. Large double fluffy snowball type blooms prolifically produced on 12 in. stems. Robust and extremely hardy. \$1.00 each.

SCABIOSA (Blue Bonnet). Caucasia. Soft, lavender. Blooms all summer. Excellent for cutting. 80c each.

SEDUM (Stonecrop). Sieboldi. Best of all sedums, gray-green leaves, pink flowers in September. 6 inches. 80c each.

Brilliant. Erect growing mass of red colored flower heads 18 in. high. August and September. 80c each.

Meteor. Soft gray green foliage. Bright and showy carmine-red flower heads. 80c each.

THYMUS (Thyme). Serpyllum. Fragrant creeping foliage. Lilac purple flowers. 80c each.

TRITOMA. Hybrids. Mixed colors of the favorite Red Hot Poker plant. Very hardy and good for cutting. 80c each.

SEDUMS AND SEMPERVIVUMS

For some years we have been interested in these hardy succulents and our collection now totals over some 60 varieties. Being very hardy and growing anywhere, we think this plant group is very interesting and unusual. The form and color of our plants vary to an amazing degree. **THESE HARDY SUCCULENTS ARE FUN.** These hardy, happy little fellows will grow anywhere, both inside and out. Children as well as adults will enjoy them. An assortment of our plants will make a conversation piece for the entire family. If you come to the nursery, we usually sell them for 89c a clump but we will be glad to send you our special hand selected collection which consists of 5 plants for only \$3.00. You will receive no two alike and we guarantee some varieties that you haven't seen before

SOLD AS A COLLECTION ONLY, 5 FOR \$3.00

You Will Be Well Pleased With Our Plants!

GIANT PANSIES

PANSIES. Mixed Maple-Leaf and Steele's Strain. We have 75,000 plants for the spring of 1962. Our pansies have long been noted for their brilliant colorings and giant size. Every Sunday from early April till June, we have scores of people who bring their own container and trowel so that they may dig their plants to assure them of the colors they want. If you live in Spokane or vicinity, why not drive out to our nurseries at E. 2929 27th Ave. and dig your own for only 85c per dozen. If you are unable to visit our nursery, we shall be glad to pick them out for you at only \$1.25 a dozen.

Giant Primroses

TO GIVE YOUR GARDEN THE
SPARKLE OF NEW-LIFE
THIS SPRING!

Primulas in their varied forms and colors are among the earliest of spring flowers. They are ideal for shady spots in the rock-garden or in the shade of evergreens, trees, and shrubs. They like a rich loam with a liberal quantity of peat moss or leaf mold and need plenty of moisture from April right on through the summer and fall seasons.

Mixed colors 50c each
Blue shades 60c each

SPECIAL PRIMROSE OFFER No. 28

10	outstanding varieties 5 mixed colors 5 blue shades	\$4.75 ONLY

Perennials FOR SHADY SPOTS

Astilbe

ASTILBE. Handsomely divided leaves and flowers borne in graceful, feathery plumes. Astilbe are only successful when they are planted in a deep rich moist soil. Plenty of rotted manure or leaf mold is very beneficial. They will thrive in shady, moist borders. We have them in four colors—Red, Dark Pink, Light Pink and White. \$1.25 each.

AJUGA. Reptans. Used for rockery or ground covering. Grows 3 to 4 in. in height. Blue flowers, purple foliage. 25c each; 10 for \$2.25.

Brockbanki. New Ajuga with brilliant red color to the foliage. Blue flower spikes. Very outstanding. Large clumps, 80c each.

Silver Beauty. This ground cover serves many purposes. Variegation of the foliage is very novel and interesting. Neat little spikes of blue flowers contrast against the sparkling white of foliage. Clumps, 80c each.

ACONITUM. Monkshood. Lovely late summer and autumn blue flowers on a plant of stately growth. Does not like to be disturbed once planted. \$1.00 each.

ANEMONE. Windflower. Grows in light shade or sun equally well. Outstanding for cut flowers. Grows to 3 ft. in height. We have them in mixed colors only and suggest a light protective covering for winter care. \$1.25 each.

Bleeding Heart

BLEEDING HEART (Dicentra). Spectabilis (Old Fashioned Bleeding Heart). Everybody loves this old-timer. Graceful, heart-shaped flowers of rose pink. 3-5 eye plants. \$1.00 each.

BOUNTIFUL. New dwarf Bleeding Heart never over 10 in. in height and forming a clump up to 2 ft. in diameter. Blooms heavy in the spring and fall with some blooms throughout the summer. Blue-green foliage and fuchsia-red flowers. \$1.50 each.

EPIMEDIUM (Barrenwort). Alpinum. An excellent ground cover producing a mass of red flowers during May and June. 6 inches. 80c each.

Alpinum Flore-Pleno. White flowering form of above. 80c each.

FUNKIA (Hosta or Plantain Lily). Subcordata Grandiflora. Sometimes called August Lily. Large pure white lily-shaped, fragrant flowers. A true plant for shade. 2 ft. ornamental foliage. 80c each.

Variegata. Handsome variegated foliage with blue flowers in July and August. 8 inches. 80c each.

BLUE HYDRANGEA

HYDRANGEA. Blue China Boy. Improved variety of the Blue Hydrangea. Color is intense blue and each floret will make a bouquet by itself. Likes acid soil so plant in plenty of peat moss and add Aluminum Sulphate every year. 2 yr. plants, \$2.25 each.

IRISH MOSS. Sagina. Very nice for the rock garden or between flagstone walks. We have both Dark Green and Chartreuse color in large clumps which we divide into 4 plants before shipment to give you starts. Clumps, 80c each.

LILY-OF-THE-VALLEY (Convallaria). Pink. Pink form of this well known plant. Does best in the shade. \$1.00 each; 3 for \$2.50.

White. The ever-popular ground cover that does excellent in the shade. No. 1 pips, 10 for \$1.00; 50 for \$4.00.

TROLLIUS. Good for damp shady locations. Giant buttercup-like blooms and we have them in both yellow and orange color. \$1.25 each.

POLYGONATUM (SOLOMON'S SEAL)

JAPONICUM VARIEGATUM. Pendant sprays of delightfully fragrant lily-of-the-valley-like white flowers; borne on stiff 12 in. stems. Black and purple berries in the fall. Green foliage with very attractive yellow border. Can be used on banks and as ground-covers. Foliage is very nice for flower arrangements. Thrives in sun also. 50c each; 10 for \$4.00.

KITCHEN HERBS

Chives. Finely chopped leaves give something to your salads. 50c each.

Sage. Dried leaves season meats, stuffings, etc. \$1.00 each.

Lavender. Dried flowers used for scenting linens. \$1.00 each.

Mother-of-Thyme. Low growing. Used medicinally and flavor to meat, stuffing and sauces. 80c each.

Peppermint. Leaves and tender tops may be infused in cooling drinks. 50c each.

VIOLA —

VIOLA (Violet). Royal Robe. 6 in. Very deep violet-blue, large fragrant flowers. 80c each.

White Wonder. Large single, many glacier-white flowers with a pale lavender center beautifully veined. 80c each.

YUCCA (Adam's Needle). Filamentosa. Desert looking plant that throws up 3 ft. spikes of creamy white flowers. Very odd foliage. \$1.00 each.

HARDY FERNS

INTERRUPTED. Found in rather dry shaded places.

OSTRICH PLUME. Very graceful with finely cut pinnules. 2-3 ft.
Price on all ferns, 75c each.

Imported

Giant TREE PEONY

Rare — Exotic
Easy-to-Grow

Grow to 5-6 ft. May-June Flowering
8 to 10 Inch Blooms

Imported by us from Japan. Giant Tree Peonies differ from the ordinary Peonies in their sturdy, woody trunks and exceptionally gigantic flowers. The Giant silk-satin radiant blossoms are often 10 to 12 in. across. The tree will eventually reach 5 to 6 ft. Excellent foliage throughout the summer months. We are proud to offer these Tree Peonies which without exaggeration are considered by many connoisseurs to be just about the loveliest flowering plant in all the world. We have some large specimen plants from 5 to 15 years old and selling for \$9.00 to \$25.00 that are available at the nursery only. Our two year old plants with flower buds are available in Red, Pink, Purple and White and are priced at \$3.50 each. Two year old plants of yellow are priced at \$6.00 each. All of the two year old plants with buds are available and we guarantee them to reach you in prime condition.

PEONY FAVORITES

We are only listing peonies which have been very popular and do well in our area.

Edulis Superba. Pink, very early.
Festiva Maxima. Pure white, crimson fleck.
Krinkled White. Single white.
Longfellow. Bright crimson, yellow stamens.
Marie Lemoine. Pure white, fragrant.
Mikado. Single dark red.
Mons Jules Elie. Dark pink.
Officinalis Rubra. Dark red, fern foliage.
Officinalis Rosea. Soft pink, fern foliage.
Pres. Roosevelt. Brilliant red.
Primivere. White, yellow center.
Sea Shell. Single light pink.
Sarah Bernhardt. Deep rose.
Walter Faxon. Pure pink.

SPECIAL OFFER NO. 29

If you are only interested in color and not names, we will send you 3 peonies, white, pink and red. Strong, hardy 3 to 5 eye roots.

3 PEONIES
red, pink, white only **\$3.25**

FANCY LEAVED CALADIUM

Continuous foliage display all summer. Easy to grow in sun or shade. Store in winter like Cannas. We have JUMBO size roots in Red, White, Pink or Variegated color leaves.

45c each; 3 for \$1.25

JAPANESE IRIS

These hardy bearded Iris are becoming very popular because of their immense size and beauty. All of the following are Higo strain. **Appare.** Lavender with yellow and white. **Kohroho.** Pure white. **Momoyoguruma.** Purple with white and yellow. **Shinonome.** Rose with white center.

Price. 75c each; 3 for \$2.00

HARDY LILY BULBS

Fragrant—Colorful for garden splendor

AMARYLLIS. Beautiful red. Grows indoors or out. Giant bulbs, 80c each.

HARDY AMARYLLIS (Lycoris Squamigera). Often called Magic Lily. Green foliage in spring which dies down in July. 4 to 5 weeks later, flower stalks appear with clusters of lily-like bloom of soft lilac-pink. Select bulbs, 35c each; 3 for \$1.00.

BLETILLA (Hardy Chinese Orchid). 5-7 orchid-like lavender pink flowers on 10-12 in. stems. 35c each; 3 for \$1.00.

CALLA LILY. For outdoor culture, treat like dahlias. We have them in White, Pink and Yellow. Jumbo bulbs, 60c each; 3 for \$1.50.

LARGE, JUICY

Strawberries

FRESH FROM YOUR OWN GARDEN

Stanek's ALUMINUM PYRAMID STRAWBERRY GARDEN

Now, Enjoy More Beauty—Grow More Berries!

Looking like a gigantic "strawberry shortcake" in your garden, the STRAWBERRY PYRAMID GARDEN grows three times as many berries in a limited area — 75 luxuriant, everbearing strawberry plants — enough to supply the average family for every use all season long.

Uses Unlimited for Those With Limited Space! Not only can this unique Strawberry Pyramid Garden be used for planting 75 Strawberries in a 6-ft. area, it's perfect for a 3-terrace rock garden, perennial or annual flower or bulb bed, or a pyramid miniature rose garden. Excellent as small vegetable garden. Special nozzle sprinkles entire garden.

Enjoy Berries All Season Long

Grown the PYRAMID way, the fruit is easier to pick — easier to care for. Constructed of 5" bands of tough aluminum, 6-ft. in diameter at the base and 3-terraces high, the gleaming beauty of Stanek's STRAWBERRY PYRAMID will last a lifetime free from rust or corrosion. Aluminum Supporting Strips and Plastic Cover make a miniature greenhouse for early planting. Net protects against birds. All of these are optional. (Simple and complete assembly and growing instructions with order.)

Streamliner

Will Bear This Summer and Fall

Streamliner—Never has a new strawberry become so popular as quickly as Streamliner. The reasons are simply that it produces so heavily the big red berries of such fine flavor. **PLANTED THIS SPRING IT WILL BEAR THIS SUMMER AND FALL.** Then next year it will produce a tremendous crop in June and after a short time it will start in again and keep on right up to freezing. The Berries are Big, Red, Sweet and DELICIOUS. Streamliner is self-pollenizing so can be planted alone. Eat them, preserve them, freeze them. We want to repeat Streamliner has that rich, sweet real strawberry flavor.

GOOD FOR FREEZIN', TOO!!

NEW 20th Century

Sweetest, Biggest Strawberries You've Ever Tasted!

You'll pick up to 37 pints from 25 plants starting in just 60 days—and you'll pick 'em spring, summer, fall. They're red, they're firm and they're sugar-sweet clear through—and just look at these mammoth yields reported for a berry so big and sweet!

LARGEST SWEET BERRY YOU CAN GROW!

Go ahead — be good to yourself! Each plant gives you about 1½ pints of the sweetest, largest, plumpest, juice-rich strawberries you've ever sunk a tooth into . . . with your first harvest starting 60 days after planting! Yes, it's possible to get a higher yield from other berries . . . but not if you like 'em as sweet and luscious as our new 20th Century! Unbelievably large berries, measuring up to 5 inches around, not just on the first picking, but throughout the entire season right up to snow flurries. Berries are a firm, rich red from the heart out, without green tips you get from many other everbearers — and just as lip-smacking with their just-right tang 'n tartness as they're red and firm clear through.

New 20th Century has no soil preference. Whether your soil is clay loam to light sand, you are assured of a good fruiting row, and it's especially the best berry to plant in light sandy soils.

New CLIMBING STRAWBERRY

BE UNIQUE... Be among
the first to have Sonjana
IN YOUR GARDEN!

THE Original Sonjana

(Hummel) Plant Patent 1691

The Strawberry that CLIMBS

SONJANA, SO DECORATIVE, SO EASY TO GROW, CAN BE GROWN SO MANY WAYS

Here's a new, different kind of plant which becomes a talking point of your garden. Imagine the unusual pattern of clusters of deep, waxy-green foliage beginning in the early spring, followed by dainty white blossoms and then set off by bright-red, sugar-sweet berries for month after month right up until frost!

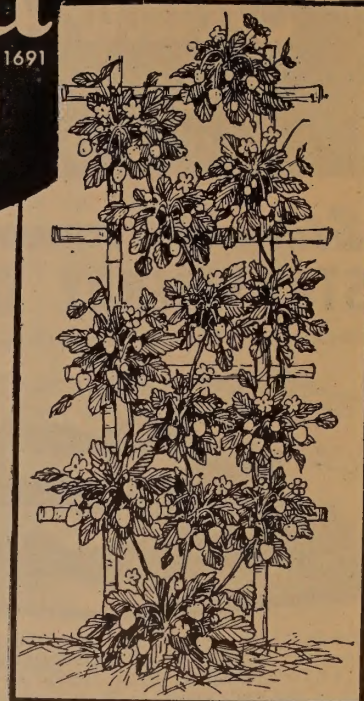

As little as two square feet of space, a sunny spot, and a place to climb, are all you need to grow Sonjana. No special cultivation, just good garden soil. And my! . . . the things you can do with Sonjana! You can train it to cover fences, posts, walls, or trellises. Festoon it from hanging baskets, jardinières, or planters. There's just no other plant that can give you the rare combination of ornamental beauty, delicious fruit and so much honest-to-goodness pleasure as Sonjana.

BEARS LUSCIOUS BERRIES THE FIRST YEAR!

Sonjana is a unique ornamental plant which will be a new, thrilling experience for you. You'll marvel at the way Sonjana's sturdy, vigorous vines grow up and up and up . . . four, five, even six feet high, providing rich foliage all the way. You'll be delighted with many clusters (up to 30 or more after its first year) of medium-sized, sweet berries which are borne on sturdy stems, free of dirt and so easy to pick.

SONJANA IS TRULY EVERBEARING

Ordinary strawberry plants only produce berries on the mother plant. But, in addition to the fruit produced on the mother plant, Sonjana sends out runners, each of which will have four, five or six new clusters (nodes). And each of these clusters will blossom and bear fruit the same season, right up to frost.

PRICE: Well Established Plants, from 3 inch pots, 3 Plants for \$6.95

NEW PRACTICAL GARDEN IDEA FOR BEAUTY AND UTILITY

Beautiful Flowering
STRAWBERRY BORDER

STANEK'S FAMOUS STRAWBERRY BORDER

A sparkling new garden idea is their clever use as a low edging or border for your flower beds, with their gay white flowers set amidst large, handsome foliage, followed by myriads of bright red berries. Charming in rock gardens too, or plant about 10" apart for a delightful "strawberry walk" edging along any path. And how the youngsters' eyes will pop with joy when they excitedly bring you baskets of delicious berries from their own little patch.

BE WISE... PLANT *Stane's* FRUIT TREES

APPLES AND CRABS

Jonathan. Long-keeping, red, very productive. Winter.

Lodi. Improved Yellow Transparent. Yellow color.

McIntosh. Bright red, smooth. Early Winter.

Northern Spy. Greenish yellow with red stripe. Fall.

Red Gravenstein. Considered the best red fall apple.

Red Delicious. Good pollinizer. An improvement on the older type Delicious. Good eating. Winter.

Red June. Red. Medium size. June and July.

Red Rome. Darker than Rome Beauty. A good baking apple. Winter.

Staymen Winesap. Red, large, juicy, crisp. Winter.

Transcendant. Brownish yellow with red blush. CRABAPPLE.

Wealthy. Fall apple.

Winter Banana. Golden yellow. Good keeper.

Yellow Transparent. Crisp white flesh. Best early apple.

Yellow Delicious. Golden fruit. Exceptional flavor. Bears early. Excellent pollinizer.

ESPALIERED APPLE TREES

Ask for our complete list of Espaliered Apple Trees

APRICOTS

Moorpark. The largest of the apricots. Good color of brownish-red. Pleasant sweet flavor. The most popular and widely planted.

Tilton. Fruit of true apricot color. Bears heavy and good canner.

CHERRIES

Bing. Black, sweet, well flavored. Pollenizer required.

Black Tartarian. Black, sweet and juicy. Excellent pollinizer.

Lambert. Black, sweet, a little later than Bing. Pollenizer required.

Royal Ann. Large, red and yellow. Good canner and for eating. Pollenizer required.

Montmorency. The best of all pie cherries. Large semi-sweet and most widely planted. No pollinizer required.

Late Duke. Sour pie cherry. Ripens late July. Large dark-red fruit.

May Duke. Hardy, early, ideal for pies.

Var. New. Black cherry, excellent quality. Good pollinizer.

FRUIT TREE PRICES

3 yr. old \$3.95

PLUMS AND PRUNES

Green Gage. Medium round, skin tender, yellowish green flesh.

Italian Prune. Medium to large size, oval shaped. Dark purple in color. Excellent canner and the most popular of all prunes.

Peach Plum. Earliest ripener. Skin red dotted with blue. Flesh greenish yellow tinged with red when real ripe. One of the leading market varieties.

Petite. Medium size, dark blue. Sweet and sugary.

Santa Rosa. Large, purplish crimson. The flesh is yellow, of excellent quality. Fine for all purposes. Early July.

PEACHES

Early Elberta. Improved. Elberta, large yellow, red cheek, juicy, tender yellow flesh. Good canner. Freestone.

Golden Jubilee. A new large early peach that is highly recommended by everyone growing it. Late July. Freestone.

J. H. Hale. Fruit is of the largest size. Very firm. Flavor is unexcelled. Good keeper and canner for wide mouth jars. Freestone.

Fed Haven. New and very early. Sweet and firm, good canner. Freestone.

Rochester. Somewhat like Crawford only earlier. Bears earlier than most varieties. Freestone.

Slappy. Some ladies tell us that they wouldn't can any other peach except Slappy. Very hardy, early yellow, with a flavor like no other peach. Freestone.

PEARS

Anjou. Large commercial variety. Firm and good keeper.

Bartlett. A well known favorite for both eating and canning. We think this is the best pear and you will agree after biting into the juicy, well-flavored flesh.

Flemish Beauty. Globular shaped pear that improves with quality when the fruit is picked and ripened under cover.

POLLINATION

For a heavier fruit yield, we recommend the planting of two or more varieties. Van and Black Tartarian are good pollinizers for sweet cherries. Red and Yellow Delicious, Jonathan are good pollinizers for apples. Other fruit varieties will also bear better when two or more are planted.

COMBINATION FRUIT TREES (NOT DWARF)

GRAPE VINES

Bear Quickly
- Require
Little Care!

BLACK GRAPES. Concord. The most widely planted grape and "backbone" of any vineyard. Berries large; bunches very compact.

Freedonia. Improved Concord bearing at least two weeks earlier than Concord. Very hardy and heavy producer.

Worden. Larger and blacker than Concord. Ripens very early. Good eating and jelly making.

RED GRAPES. Caco. A new red grape of good merit. Wine red, good grower and hardy. Excellent for table. Our own favorite.

Agawam. Large bunches of red, tender juicy grapes. Good table and juice quality.

WHITE GRAPES. Golden Muscat. The choicest golden amber grape for your table. Large oblong fruit in large compact bunches. The finest of all white grapes and perfectly hardy.

Portland. Sometimes called the "White Concord". Same characteristics as Concord only with white skin.

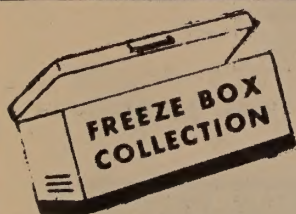

Prices on all grapes; 2 yr. No. 1,
Select Plants, 85c each.

Red Raspberries

SEPTEMBER. A new red raspberry which bears the usual crop in early summer on the old canes. Then the new canes start bearing around mid-September and continue until freezing weather. The berries are huge, the largest we have ever seen—bright red color, good quality. Eat them fresh, for pies or jam. Wonderful for freezing. Our large 2 yr. old transplants will give you some berries this year so that you will have a taste preview of what you will get in future years. Nearly every home has room for some. Makes an excellent hedge between the garden and lawn. There is always a certain amount of satisfaction of picking berries fresh in your yard.

2 Yr. Old Transplants:
3 for \$1.65; 5 for \$2.45; 10 for \$4.45.

NEW WASHINGTON. One of the leading older raspberries. Large and firm and of good yield. 2 yr. transplants, 35c each; \$3.50 per dozen.

SPECIAL OFFER NO. 34 HOME FREEZER COLLECTION

Nothing beats fresh frozen berries. This offer includes 6 New BlackHawk Raspberries and 10 New September Raspberries, both listed on this page. A complete berry garden, 2 yr. old transplants that will bear this year, regular value \$7.45.

ONLY \$6.65

CURRENTS

CHERRY. The largest of all red currants. The berries are often to one-half inch in diameter in short bunches.
3 yr. select, \$1.00

GOOSEBERRIES

OREGON CHAMPION. Very free from mildew. Medium size berries of good flavor. Early ripening.
3 yr. No. 1 select, \$1.00 each

NEW Black Hawk BLACK RASPBERRY

BLACKHAWK. A new Black Raspberry that has out-yielded every other variety in tests. The berries are very large, almost an inch across. The quality is simply grand — sweet, juicy, richest flavor. Eat them fresh, can them, freeze them or in pies or jam. Any way you use them, they are wonderful. Plants are strong, healthy, vigorous growers and tremendous producers. Plant them 4 ft. apart in rows, and rows 8 ft. apart. Use rich ground and plenty of water every week and you will be richly rewarded. We believe that this is the best Black Raspberry on the market. Just a few plants in your back yard will give you delicious fruits.

2 Yr. Transplants, 50c each; \$5.00 per dozen.

THORNLESS BERRIES

THORNLESS BOYSENBERRY. An immense berry on vigorous thornless bushes. Bearing young for a period of two months during the summer, Boysenberry is a heavy producer.

2 Yr. Transplants, 65c each; \$7.00 per dozen.

(Scientific Testing has proven that Thornless Youngberry and Boysenberry are the same.)

BLACKBERRIES

MIDNITE. This is the new "Midnite" Blackberry that everyone is talking about. We are listing this variety because of its fine fruiting performance and its strong thrifty cane characteristics in comparison to other blackberry varieties. This is an upright type producing an abundance of fine large fruits of excellent quality. To date it is free from sterility. Large transplants. No. 1, 75c each; 3 for \$2.00.

WONDERFUL, TASTY

Rhubarb

CANADA RED. The finest darkest red rhubarb of all, the stems are dark red clear to the heart and up into the leaf. Makes very beautiful and tempting sauce. Flavor — second to none. You only buy it once in a lifetime, why fool with second rate varieties.

No. 1 divisions, \$1.00 each.

DELICIOUS, TENDER

Asparagus

For home use, plant Asparagus 18 to 24 inches apart each way, 3 to 4 inches deep, spreading the roots out flat. Lasts a lifetime. Our Jumbo plants are the finest we have ever seen and save a year's time. It is mighty nice in the spring to be able to go out in your garden and cut fresh asparagus for 6 to 8 weeks. They taste better and save you money.

PARADISE. A new variety that is superior to the Mary Washington. Widely heralded as an unusually heavy producer. Most satisfactory for the small yard.
3 yr. roots, 10 for \$1.25; 25 for \$2.50;
\$7.50 per 100.

Everblooming

FENCE ROSE

HYBRID 311

- ★ A mass of uninterrupted color the very first season.
- ★ Grows to 5 feet and higher; prune, train with hedge shears.
- ★ Luxuriant, glossy foliage all season long; non-sprawling, easy to maintain.

The first genuine patented hybrid Rose created exclusively for low-cost mass planting as living fences, hedges, property dividers. A masterful blending of thousands of brilliant currant-red flowers, lush green foliage, and a compact, bushy upright growth habit. Never stops blooming in growing season. New from top to bottom! Provides yards of beauty at pennies a foot! (Pat. No. 1885.)

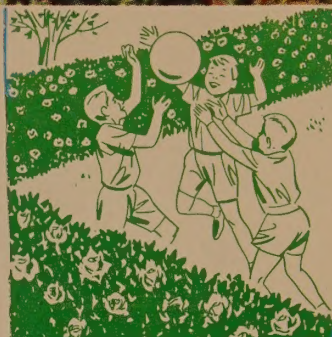

6 for	\$ 4.95
12 for	8.95
24 for	15.95
48 for	27.95
100 for	48.95

PRICES ON
HYBRID 311

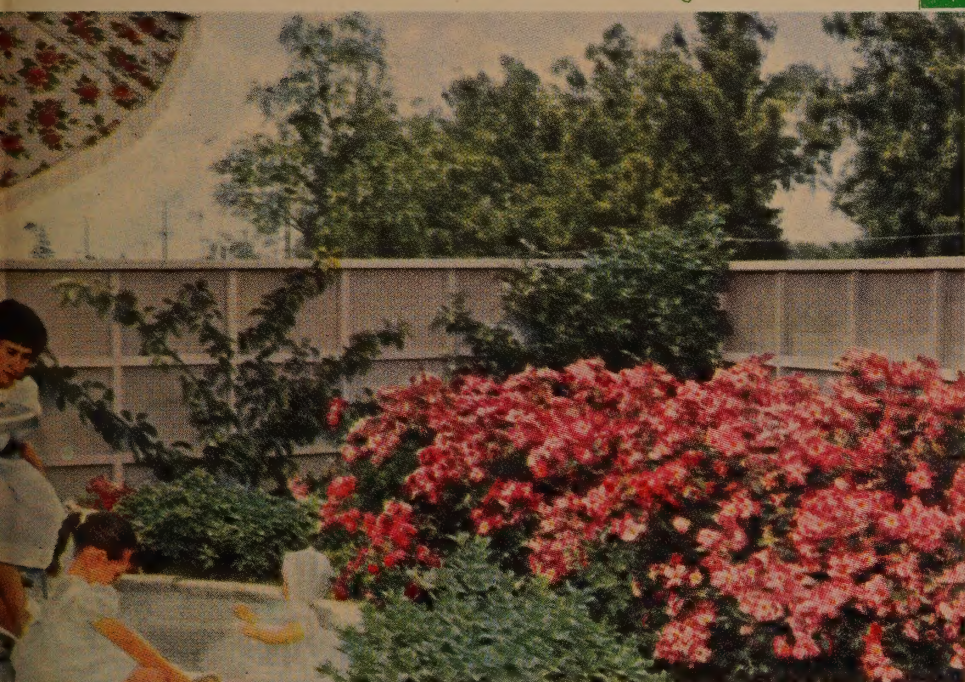

SOLD IN UNITS
OF SIX ONLY

Hybrid 311 is perfect for "containing" children or pets. Gives you privacy and permanent landscape beauty

Keeps out intruders and absorbs traffic noises. Prevents "cross-lawn" traffic.

EverBlooming

Landscape Rose

COUNTY FAIR

- ★ A Rose that meets the "needs" for a different functional flowering shrub.
- ★ Every border, hedge, or accent planting a brilliant display of lasting cut flowers.

Mass production techniques make it possible for the first time to offer a patented hybrid Rose for multi-purpose, mass planting in landscapes at **amazingly low cost**. County Fair provides fragrant sprays of big pink flowers, thick handsome foliage, and vigorous, yet compact growth. A vastly improved new concept in a versatile, functional, economical flowering shrub. A mantle of color the very first season; grows 3 to 4 feet. Saves money from the minute it's planted. (Pat. No. 1897)

OF SIX ONLY

6 for	\$ 4.95
12 for	8.95
24 for	15.95
48 for	27.95
100 for	48.95

County Fair gives you a colorful property "divider" without spoiling vistas of adjacent properties.

It's a never ending show of cheerful color mass-planted in a bed or used in a low hedge or border.
